## Spur Move For Area- Illinois Airport

State Officials Cite  
Advantages; Pledge  
'Maximum' State Aid

Establishment of a second major airport on this side of the Illinois-Missouri Metropolitan area is the most important single development program the area has had before it, Gene H. Graves, director of the Illinois Department of Business and Economic Development, told a group of planning, business and civic representatives in a meeting here last night.

Graves and J. E. Wenzel, director of the Illinois Department of Aeronautics, told the group also that a cohesive and coordinated move to secure a major airport in the Illinois area "has a great possibility of success," and that the state will give maximum support to such efforts.

The need for bigger and better airports to meet the needs of technological changes and the economic advantages of locating a major airport in the Madison-St. Clair county area were outlined by the two state officials at the quarterly meeting of the Southwestern Illinois Metropolitan Area Planning Commission in the Rose Bowl.

Recommended Bi-State Operation

Their discussion of airport development in the Illinois area was coincidental to an announcement a few hours earlier that the East-West Gateway Coordinating Council received engineering studies recommending the purchase and operation of Lambert-St. Louis Municipal Airport by the Bi-State Development Agency.

That report, prepared by Governmental Research Institute, pointed out that the airport will require another major air carrier airport that would cost more than \$500 million.

Failure to establish a second major airport in the metropolitan area would mean the area's competitive position among metropolitan regions, some of which already have two major airports, the report said.

Wenzel emphasized the need for coordination between the forces of the Madison-St. Clair-Monroe county area in Illinois to secure establishment of any new major airport on this side of the river, and listed 12 agencies which he said would have to work together to bring about success of the project.

**Must Work Together**

This includes, Wenzel said, the states of Illinois and Missouri to work together on bi-state legislation necessary to development of an airport serving the entire region. He said the cities of East St. Louis and St. Louis also would play a major part in this side of the river.

Other agencies playing a major role would be the Bi-State Development Agency, the counties of Madison, St. Clair and Monroe on this side of the river and St. Louis county on the west side.

Cooperation of the Gateway Council and the Federal Aeronautics Administration would be necessary to such a program, he noted, while another important adjunct would be the airlines themselves.

He said it is possible that the airlines, if provided an airport adequate to the needs of the

## Extra 'GC' Tax Rate Involves One Taxpayer

Granite City taxpayers who have become alarmed over the listing of an additional tax rate in a printed tax rate table included with their 1967 tax bills have no cause to worry, E. R. "Pat" Rich, city treasurer, explained yesterday.

The additional rate is 11 cents per \$100 assessed valuation for the Miracle Manor - Bellemeor Place street lighting fund.

According to Rich, the street lighting tax will be paid by only one Granite City taxpayer, Archie Beatty, 1894 Spring street, whose property was annexed to the city last year.

The remainder of the street lighting area is in Namekoi township. Total amount involved in Beatty's tax for the street lighting fund is \$8.32, Rich said.

FOUR PERSONS DIED and two others in this demolished convertible coupe were injured seriously Tuesday night in a broadside two-car crash at the junction of Route 3 and Route 203 (Old Alton road), at the Hartford canal bridge.

## 350 Persons at Banquet Honoring G. H. Sternberg

Optimists, representing groups throughout Illinois and parts of Missouri, local civic and service club officials and a large delegation of Boy Scout executives and members of the Cahokia Mound Boy Scout Council gathered last evening to pay tribute to Gene H. Sternberg, 3222 Cleveland blvd., newly-installed president of the nearly 100,000-member Optimist International.

The gala affair honoring Sternberg and his wife, Ruth, and commemorating the Optimist International's Golden Anniversary Year, was held in the Ranger Room of the University Center at Southern Illinois University - Southwestern campus, at the suggestion of the Granite City Optimist Club.

A capacity crowd of 350 persons, attended with elaborate seating, accommodation augmented by additional chairs during the latter part of the evening, the city was unable to attend the dinner.

**Elected Last Week**

Former Seventh Ward Alderman and a civic leader and operator of a Granite City construction firm, the past 18 years, Sternberg was elected to the presidency June 18, at

## New Garbage Trash Collection Schedule for GC

A map showing the twice-a-week summer garbage and trash collection schedule for Granite City, starting next Monday, appears on page 23 of today's issue.

The Granite City council two weeks ago awarded the collection contract to Milam Corp., St. Louis, for three years at a \$103,918-a-year cost. The present contract with National Disposal Corp. for \$122,745 a year, expires Sunday.

Milam Corp. will operate a landfill in St. Clair county, and city council members have not yet decided if Granite City will be permitted to use the present city landfill area for private disposal.

In its schedule, Milam Corp. continues the program of picking up two 30-gallon containers of trash and garbage at each household. Where there are no alleys, the containers are to be placed at the curbline on the scheduled dates.

The July 8 meeting was canceled, with tentative 1968-69 budget action set for July 22.

Possibility of transferring Frohardt school summer classes due to Johnson road paving work was discussed. The principal was authorized to employ extra custodial help as needed.

Problems related to lack of landscaping at the new building.

**Bids on Addition Soon**

Specifications for a four-classroom, 14,000-sq-ft school addition are to be ready for contractors by July 8. A contract for the addition with Arthur Virgil Muldergoff was approved, specifying a 7 1/2% commission.

**High-Speed Chase**

Venice police said they were in the 300 block of Broadway about 10 p.m. when a car sped down Broadway about 80 miles an hour, headed toward the bridge. They gave chase with red light and siren on, but the driver failed to stop. On the

## Madison Accepts Bid for Road to New Steel Plant

Contract for construction of an access road to the Caine-Steel Co. plant now being built in the Madison Industrial Center was awarded by the Madison city council Tuesday night to the G. H. Sternberg & Co. contracting firm.

The Sternberg firm submitted the lowest of two bids with an offer of \$75,300. The other bid was submitted by A. H. Seebold & Co. It totaled \$79,573.

Mayor Stephen Maeras pointed out the Sternberg bid was under the engineer's estimate of \$77,029 for construction of the road along Harris and Fairview streets between McCambridge and McCasland avenues. The project will be financed by motor fuel tax funds.

Council members also approved a suggestion by Mayor Maeras that action be taken to remove as much as possible the littering of streets, parks and other public places.

The authorized purchase of 24 signs calling attention to anti-litter law. The signs will be posted in public places throughout the city.

**Explains Tax Picture**

The mayor outlined for council members the new 1967 tax rate for public agencies within the city of Madison, pointing out that the tax bill of Madison residents increased by 3% for the 1967 tax year. The 1967 tax is now being collected throughout the Quad-City area.

Maeras explained that the rate on which tax collections are being made this year for Madison county, Venice township, the city, the East Side levee district and the school district all located in Madison, totals \$4.49 per \$100 assessed valuation, compared to a total overall rate of \$4.37 for the 1966 tax year on which taxes were collected in 1967.

This means the owner of a home worth \$10,000 full fair value, readjusted under the 50% assessing formula to \$5000, will pay a 1967 tax bill of \$224.75, compared to a bill of \$218.55 a year ago, the mayor said.

Under the schedule of 1967 tax rates for the five taxing agencies in the city of Madison, the \$224.75 tax payment would be divided as follows: county, \$17.98; township, \$6.74; city of Madison, \$51.69; levee district,

Crash Victims

A double tragedy occurred this week for Mrs. Evelyn Fuller, 3011 Myrtle avenue, who was first notified by the U.S. Army that her son, Pfc Thomas E. Harrison, 20, had been killed in action in Vietnam on June 20. Early Wednesday, she learned another son, Samuel Utgane, 23, had died of injur-

A two-car collision claimed four lives and resulted in injuries for four other persons at 10:40 p.m. Tuesday at the junction of Route 3 and Route 203 (Old Alton road), on the south side of the Hartford canal dual bridge.

All of the dead and two of the injured were occupants of a 1964 convertible coupe that was struck broadside as it was proceeding west on Route 203 across Route 3. The other auto was traveling north on Route 3. The crash was the most severe of the year for the Quad-City area.

Killed in the crash were: Tommy Franklin Campbell, 19, of 3009 Myrtle avenue, dead upon arrival at St. Elizabeth Hospital.

Samuel E. Utgane, 23, of Freeport, Ill., son of Mrs. Evelyn Fuller, 3011 Myrtle avenue, died of injuries at 1:10 a.m. at Wood River Township Hospital.

Clifford D. Meyers, 17, of 2116a Delmar avenue, dead upon arrival at St. Elizabeth Hospital, and Mrs. Margaret Kreigbaum, 32, of 4110 Blaine avenue, St. Louis, dead upon arrival at St. Elizabeth Hospital.

All of the injured were taken to St. Elizabeth Hospital. Admitted were two passengers in the convertible coupe — Miss Lorraine Villinger, 15, of 4110 Blaine avenue, St. Louis, daughter of Mrs. Kreigbaum, and Miss Carol Milburn, 20, of Freeport, Ill.

Miss Milburn is in the intensive care unit of the hospital with severe head injuries. Miss Villinger is being treated for chest injuries and cuts and abrasions to her left elbow, both knees and right foot.

Given treatment at the local hospital and transferred to St. Joseph's Hospital at Alton were the occupants of the other car.

Thomas C. Wilson, 25, of Alton, driver of the second car, suffered cuts to his right leg, forehead and nose, and a passenger, John H. North, 19, also of Alton, suffered head injuries and cuts to his right eye and forehead.

State police believe Campbell was driving the convertible coupe owned by Mrs. Kreigbaum. It was learned the group had planned to go swimming at the spillway at the Hartford canal.

## Another Partney Veto Shot Down by Council, 13-to-3

Granite City council members and mayor continued the five-week committee impasse Monday night—finally giving up direct committee reports and transacting business at random under the unfinished business and new business sections of the agenda.

Prior to the abandoned call for committee reports, Mayor Partney, who had a sore throat, was hoarse, asked City Clerk Pendleton to read his veto message on the repeal approved last week to aside a 1964 law giving power to the mayor to name all council committees.

In a series of roll call votes, the council proceeded to repeal the mayor's repeal action and override the veto.

Alderman Robertson presented his report for approval of the council-selected committees.

He was ruled out of order by the mayor and appealed the ruling to the council. Council

members upheld the alderman's appeal, and Robertson again read the list of council committees named first on May 27. In his veto message, Mayor Partney had reiterated the committees he named on May 20 when council members selected action.

**Started on May 20**

Since May 20, the council has refused to recognize the mayor's committee appointments, and the mayor has refused to recognize the council's selections.

Mayor Partney said after the council overrode his veto, he planned court action and would be conferring with attorneys this week.

Prior to presenting his veto, the mayor had the city clerk read the second 30-day appointment of Edward J. Sheppard, Morgan & Schwaab as public engineer for the city and for reappointment of two library board members and naming Alderman Rutledge to

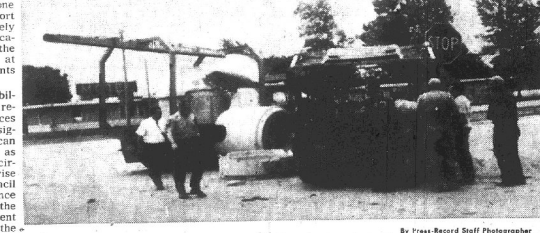

replace Moerlein as council representative on the board. Renamed for three-year appointments were Herman Raub and Ronald Aldridge.

In the veto message, the mayor reviewed the actions on common council since May 20. He placed emphasis on the law passed in 1964, before he was mayor, giving the mayor authority to name all committees, and that the council's committee appointments of May 27 were made without any legal provisions.

**"Another Illegal Law"**

He added that if the repeal of the 1964 ordinance would become law, it would be "another illegal law, because the committees are appointed for the year 1968-69."

"While I appreciate the prerogative of the legislative branch of the city to lawfully amend its ordinance," he said, "I do not feel that I can conscientiously, as the chief executive officer of

## MORE ABOUT

### Partney Veto

The Tri-Cities Chamber of Commerce is joining with the Illinois State Chamber of Commerce in urging citizens to set aside July 4th as a time for re-dedication to the principles of law and order.

Red, white and blue posters now available at the Chamber of Commerce office, 1831 Delmar avenue, designate the period from Thursday, July 4, Independence Day, through Sunday, July 7, as "rededication weekend."

The signs ask all to join in pledging to take the following ten steps:

1. Practice the principles which made America strong.
2. Fly the American flag.
3. Show respect for law and order.
4. Practice tolerance and understanding.
5. Teach our children that all Americans have equal opportunity.
6. Speak out against extremists groups which seek to divide our country.
7. Insist on fair and honest political activity which allows freedom of expression.
8. Demand full and impartial enforcement of our laws.
9. Respect Rights of Others.
10. Help these less fortunate.

The posters were prepared by the newly-established Respect for Law and Order Committee of the Illinois State Chamber.

The local Chamber of Commerce currently is considering formation of a similar committee.

Goal of Rededication Weekend is to urge every individual to commit himself to the basic premises upon which the U. S. government was founded.

It is hoped that churches, service organizations and other groups will join in calling on Quad-Cityans to rededicate themselves to their nation's tolerance of others and to respect for and enforcement of a structure of law—regarded as the only alternative to the "law of the jungle" in which life and

move ahead on the agenda to "new business."

"Can we do this?" Fry asked. City Atty. Allen said it could be done with a two-thirds vote approval.

It was approved by the 13-to-3 vote again.

**Garbage Contract**  
Robertson mentioned that the mayor be instructed to sign the \$193,918 a year contract with Milam Corp. for garbage-trash collections for the next three years.

Partney said he doubted if he would sign it. "I recall the bid advertisement said the council would award the contract. There was over \$60,000 difference between this figure and the low bid."

The council approved Robertson's motion 13-to-3.

The new contractor is to begin the collections next Monday.

Rutledge again submitted the bill for approval. The roll call for approval was nearly finished when Johnson raised a question. The bills were approved over his protest, and he then called for reconsideration.

His motion was seconded by Partney. He (Partney) can second that motion. He voted against approval, Nonn pointed out.

"That's ok," Partney said. "I want all this material when I go to court to get this straightened out."

**Reconsider Bills**  
Moerlen then made the motion to reconsider, and it was seconded by Daves.

Bartosik interrupted to comment, "Can I be excused? All this is making me sick."

Again the motion was approved 13-to-3.

Partney remarked, "Well, we had the bills paid; now they're unpaid."

Johnson called for a separation of the payment to Sheppard, Morgan & Schwaab, saying the \$112 engineering fee was

justice are jeopardized.

**Holiday Celebrations**  
It is also hoped that rededication to American ideals will be a part of all Fourth of July holiday celebrations.

In announcing Rededication Weekend plans, Chamber of Commerce President Howard W. Kaseberg commented, "The United States has always been a land of diversity . . . diversity of land, of climate, of religion, of politics, but most of all diversity of people."

"So broad are the different ethnic, national and cultural backgrounds of the peoples lumped together as Americans that the U. S. can almost be considered a world in miniature. For this reason, the answers we arrive at to our problems are relevant to the rest of the world."

"There is no question that the diversity of American life is good, but obviously it can lead to diverse and painful wounds. At no time in our country's history has this been more apparent than in the last few years."

"The violence of current events is a reflection of the growing friction between the diverse elements of the nation, friction so great that some people have despairingly called the American system unworkable."

**Fly Flags Throughout Weekend**  
"Is this true, or is there anything which can bind together these diverse and painful wounds? Yes, there is. We believe the answer to this problem is the American flag and the freedom it symbolizes."

"For this reason, the Chamber of Commerce is calling July 4-7 rededication weekend and hopes this period will provide an opportunity for all to rededicate ourselves to the American spirit of law and order."

"To symbolize this, we ask each citizen of the Quad-City area to fly the American flag not only on July 4 but all during the long Independence Day week-end, both as a reminder of our freedom and of what we must do to preserve it."

for "sewage lift station inspections and recommendations that had been done for a former alderman over a year ago."

"Then why was the job never done to improve the lift station?" Fry asked.

His question was ignored, and the bills "as separated" were approved again.

**Debate on Payment**  
Johnson mentioned "Not to pay Sheppard, Morgan & Schwaab."

Moerlen asked the mayor, "How can you pay a fee and also an \$8500 a year salary to the public engineer?"

Partney answered, "You brought in that ordinance setting the \$3500 annual salary, Mr. Moerlen. This payment will be a part of that salary."

The roll-call vote was approved 11-to-5. Opposed to the motion were Bartosik, Whitmer, Rutledge, Fry and

Moerlen called for preparation of an ordinance to repeal the ordinance setting the salary for the public engineer.

Partney said the council members were forgetting laws they had previously adopted, and when they find such laws are being followed, then call for their repeal.

With the debate halted momentarily, Rutledge commented, "Last week it took only two roll call votes to approve the bills. This week it took four. Shall we try the payroll?"

The \$48,388 half-month payroll was approved without further comment, as was the \$829 payment for sick leave.

## MORE ABOUT Madison Accepts

\$22.48; and school district, \$125.86.

The mayor said that out of each \$100 in taxes paid by Madison taxpayers, \$8 will go to the county, \$3 to the township, \$33 to the city of Madison, \$10 to the levee district and \$56 to the school district.

While the school district receives more than half of all tax payments, the mayor said, "This is not too high for the cost of a good education. I don't believe our tax bill is at all bad within our city."

Mayor Maestas reported he had received notice of the city of Madison will receive \$6408 as payment in lieu of taxes for the Gareche and Greiner public housing projects located in Madison. The mayor said he believes this "is a small sum compared to what is spent to provide city services" for the housing units.

"The public pays 10 to 15 times more than this (\$6408) for the services the city provides to housing units," Mayor Maestas said.

The council authorized issuance of a permit to Southwest Bell Telephone Co. for installation of an underground power cable along State street between Second and 14th streets, and voted to ask Illinois Power Co. to install two alley lights.

These will be located in the alley at 12th street between Alton and Greenwood avenues and in the alley between Greenwood, Reynolds, Plum and James streets.

The annual report of the Madison public library was presented and filed, with comment by Maestas that the library staff "has done an excellent job."

The report said the library now has 13,106 volumes, with 696 added within the last year. A total of 30,298 volumes was circulated during the year, it was noted.

Income for the library last year totaled \$16,005, including \$15,733 from taxes, the report said. Expenses amounted to \$15,065, of which \$7380 was for salaries.

## MORE ABOUT Youth Caught

bridge approach the fleeing driver attempted to run the toll gate, but was stopped by an other vehicle in front of him.

The driver, later identified as Hammers, jumped from the car and fled southward on foot. After his arrest, police filed charges of failure to pay bridge toll, attempt to elude a police officer, resisting arrest, speeding, careless driving and driving without a driver's license.

Hammers was sentenced to the jail term on the charge of attempting to elude a police officer. Fines also were assessed on the other charges but they were voided by the jail term which takes legal precedence.

## Special Program At Gospel Mission

A special musical program will be given at the Gospel Mission, 204 East 20th street Sunday at 2:30 p.m.

The Gospel Four Quartet will be featured. The fellowship hour will be held after the service. The evening service, beginning at 7:30 and one of the members of the quartet will speak. The public is invited to attend both services. Mrs. Bethel Davis is mission superintendent.

## Annets to Install New Officers Here Sunday

Newly-elected commander Joseph Wickham of Annets Post 51 and other officers and board members of the post will be installed in ceremonies at the post home at 2 p.m. Sunday, it was announced today.

Charles Huntman, Mt. Vernon, 15th Division commander will attend and officials and members of other posts in the division have been invited. Refreshments will be served after the installation ceremonies.

## Appointments to Madison City Jobs are Confirmed

A series of appointments of Madison city employees, including members of the fire department and street department, was confirmed by the Madison city council in regular meeting Tuesday night.

The appointments were made by Mayor Stephen Maestas, in all instances the elections followed recommendations of department heads. There were virtually no changes from last year's appointments. City employees are named by the council each year.

Among others, the council reappointed William Fanning of the Madison police department as juvenile officer, and re-named John Bridick sr. and Roy J. Hill jr. as desk clerks at police headquarters. Employment of Ronald Miller and Ronald Delaney, college students, as desk clerks during the summer months, also was confirmed. Charles Bridick was reappointed humane officer.

**On Fire Department**  
Appointments to the fire department included Edw. J. Miller, reappointed as chief; Eldon Rhoads, assistant chief; Charles Volok, captain; Benjamin L. Mi-shels, Benjamin L. Bowershot, Vasil Graville, Ois Hollenbeck, William Hlava, Thoma Volok, Gordon Bailey, James Shipcoff, Peter Masek and Charles Bridick. William P. Dorris, Terry J. Rhoads and Andrew P. Eeckony were named probationary firemen.

**Name Auxiliary Police**  
Also confirmed were members of the auxiliary police force of the Civil Defense organization. They were recommended by Fred Trebing, chief of the auxiliary force, and approved by Harry Johnson, director of the Madison Civil Defense organization.

The appointments included Trebing as chief; Gene Robertson, assistant chief; George K. Kelly, secretary-treasurer; Vern McIntire and Earl Trebing, lieutenants; Lester Baughmoyer and John Jordan, sergeants; and members, Richard Trebing, Clark Trebing, Fred D. O'Beary, Charles D. Lewis, Douglas F. Allen, John Pittman, George Lynn, Ois Hollenbeck, John Harshany, Robert W. Wilson and J. D. Marler.

**Worster, Kutz Elected By County Republicans**  
Charles G. Worster of Granite City is the fifth vice-chairman and Leroy Kutz of Venice is assistant treasurer of the Madison county Republican party for the 1968-70 period. They were elected along with other officers as precinct committeemen reorganized Monday night at Edwardsville.

Charles R. Walters is beginning his second two-year term as president. Other officers include Allison Gansman, St. Jacob, Charles O'Neill, Hamel, Mrs. Clara Campagne, Godfrey, and Mel Hubach, Edwardsville, vice-chairmen; Jon R. Walker, Monroeville, secretary; Robert Claus, Collinsville, assistant secretary; and Clarence Knaebel, Alhambra, treasurer.

**GC Firemen Seek Same Pay Boost as Police**  
Harry Hillman, president of Granite City Firefighters Local 253, said today the firemen have not reached an agreement on negotiations with the city.

"We have discussed our proposals, such as wages, vacations, call-out time pay and other benefits. The firefighters cannot accept a larger or smaller wage agreement than police, as our International Association has fought against any disparity for years," Hillman said.

No negotiating sessions have been held for two weeks, and none is scheduled at present. Police have submitted demands for a \$150-a-month increase.

**Park Board Meeting**  
Members of the Granite City park district board of commissioners are to meet at 7 p.m. today in the offices at Wilson Park for a regular meeting that had been scheduled for last night but was postponed so the commissioners could attend the G. H. Sternberg recognition banquet at STU-SV.

## Fluoridation of Water for Area Due in Few Days

East St. Louis & Interurban Water Co. is expecting to miss the July 1 date deadline for fluoridation of the water supply, but only by a few days, it was reported today by J. G. Carns jr., manager of the firm which serves 20 area communities, including the Quad-Cities.

Equipment for placing fluoride in the water is in the process of being assembled at the water company plants here in Granite City and in East St. Louis. Included are holding tanks and measuring pumps.

"We could possibly make it by Monday, or miss it by a few days or maybe two weeks," Carns said, adding, "but the state health department is aware of this and has approved our equipment and plans."

Added cost to the water company for fluoridation will be \$40,000 to \$50,000 for the first year. The equipment cost is \$20,000 to \$25,000, and the cost of a year's supply of the chemical amounts to about the same figure, the manager said. No immediate rate boost is scheduled.

**ACCEPTING CONGRATULATIONS**, Optimist International President Gene H. Sternberg and his wife, Mrs. Ruth (Roseman) Sternberg, are surrounded by well-wishers following a testimonial dinner last evening in the Ranger Room of Southern Illinois University-Southwestern campus.

## MORE ABOUT 350 Pay

The Optimist International convention in Louisville, Ky., site of the initial convention 50 years earlier. Previously he served as chairman of various international committees and last year as president-elect.

Contributing to the festive mood, Mayor Donald Patzney, referred to his lengthy friendship with the former alderman.

The mayor presented Sternberg with a walnut plaque for his civic achievement and outstanding contributions to the city, state and nation, and called him "our most distinguished citizen."

The honored guest also received a miniaturized camera kit from the Granite City Optimist Club, presented by E. E. Veihl Jr., chairman of the reception banquet, who served as master-of-ceremonies.

Veihl noted the camera should prove useful as the new Optimist International president and his wife expect to visit clubs in each state, including Hawaii, and in Canada during his year in office, probably covering accumulated distances in excess of 100,000 miles.

**Nationally-Known Speaker** Principal speaker at the dinner was Dr. Tom Haggal, national spokesman orator, whose syndicated radio program "Values Living" is broadcast daily from coast-to-coast.

In a rapid delivery style, reminiscent of comedian Bob Hope, the High Point N. C. Baptist preacher, who now addresses 300 business conventions each year, in addition to extensive work with Boy Scouts of America and other youth organizations, spoke of his Lebanese ancestry, satirizing the six-day Arab-Israeli War, and discussed humorous aspects of ethnic, social and religious groups.

Although his talk was sprinkled with tropical comments and observations, Dr. Haggal became serious as he described his personal philosophy—"I want to live and I want to live to help others. Not out of generosity, but selfishness... as the only way I can live is if you live. The time of socialism is over. You leave an airport and 24 hours later arrive anywhere in the world, which is now one community."

"The more man penetrates the ionosphere... the world shrinks. Looking down from a 25,000 to 35,000-foot advantage point in a jet plane, the ravages and animosities in the world disappear. The serious plight in which our country finds itself today is because we won't get together."

"Civil War a Skirmish" "The Civil War was like a skirmish compared to the division in our ranks now... and believe that the country's survival hinges on the simple fact of our getting together," Dr. Haggal said. He continued, "Some people think that we can solve all our problems through economics... and tragically our government also reflects this attitude. We cannot do it with dollars... we can't buy our way out of our problems."

"You can clothe and feed a man without changing his basic attitudes and this is what is needed. I found more poverty while serving in an affluent pastorate than when a minister in a ghetto area," the speaker related.

"Organizations alone are not the answer. Our churches and synagogues today are suffering from the poorest attendance since 1812. Organizations are only as strong as the organs—the heart that beats and drives it forward. Each of you must become involved in therapeutic and beneficial programs of your community."

**Ol Staff Present** Also paying tribute to Sternberg was Hugh Cranford, Optimist International executive secretary, who introduced members of the Ol administrative staff.

They included Don Clark, director of community services; Louis Jurinich, director of youth work; Raymond Willard, associate executive secretary; James Pease, comptroller; William Collins, new club building program director; Bud Bullock,

## Mrs. Hagnauer, 80, Dies at Nursing Home

Mrs. Anna Marie Hagnauer, 80, formerly of Venice, and widow of former Venice Mayor Edward Hagnauer, died Wednesday, June 26, at 9:03 a.m. at the Madison County Nursing Home. She had been a patient there since 1965.

Born in Iron Mountain, Mo., she had resided in Venice for many years. She was a member of St. Mark Roman Catholic Church, Venice.

Her husband died June 7, 1946.

Survivors include a nephew Jesse Metzger Sr. of Oregon and three great-nephews, Jesse, Leroy and Phillip Metzger all of Granite City; six step grandchildren, 18 step great-grandchildren and five step great-great-grandchildren.

## MORE ABOUT School Board

mission instead of 6% due to a revised fee schedule of the Southern Illinois architectural association.

A call for bids to solve a sand and water problem immediately adjacent to the Park-view school building was authorized. Pipes had pulled sand from various points, that, if not filled, could weaken the structure.

It was decided to seek bids on providing and installing a pre-constructed restroom building at the high school football stadium. The plan is expected to be less costly than a concession stand-restroom construction project on which bids were received this spring.

The school board formally approved a cooperative special education program with Madison and Venice schools, viewed one of the new high school band uniforms ordered for this fall, and approved a series of fund transfers necessitated by the approaching end of the fiscal year June 30.

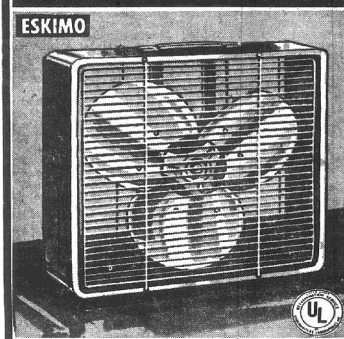

Special summer welding classes sought by Laclede Steel Co. were authorized, and non-union teacher working agreement changes stemming from negotiations this spring were ratified during the nearly five-hour meeting.

Other special guests were Dr. and Mrs. James Fretz of Kansas City, Kan. Dr. Fretz was one of eight vice-presidents elected at the Louisville convention.

Seated with the Sternbergs at the head table were Rev. Paul R. Surbey, who offered the invocation and benediction; Optimist District Eight Gov. Robert Christensen and Mrs. Christensen; Mr. and Mrs. Carl Roubicek; Optimist President Fred Cunningham and Mrs. Cunningham; Mrs. Veihl; and the guest speakers.

# Credit Union, 7 Other Teams in Holiday Softball Meet July 5-7

Granite City Steel Credit Union will compete with seven out-of-town teams in the annual Fourth of July holiday fast-pitch softball tournament of the Granite City park district, it was announced today.

The men's tournament, scheduled for Friday, July 5, Saturday, July 6, and Sunday, July 7, is noted for attracting teams of outstanding ability, and the competition traditionally has been fierce.

This year, for the first time, Wilson Park will not be the only scene of activity. Games are planned for both that park and Worthen Park, located east of the 3200 block of Maryville road.

**Simultaneous Games**  
On the opening day, July 5, Credit Union will begin tournament play at Wilson Park with a 7 p.m. game against the St. Louis Merchants. At the same time, Alton and L. & L. of St. Louis will collide at Worthen Park.

Immediately following these contests, at 8:45 p.m., July 5, St. Louis Thurners will oppose Pacific Mc at Worthen Park and St. Louis Moydells will meet the St. Louis Pirates at Worthen Park.

The remainder of the meet will be staged at Wilson Park, including six games July 6 and four or five games on the final day, July 7.

**Two Losers Out Team**  
It will be a double-elimination tournament, the champion to be determined until all other teams have suffered two losses.

The Saturday, July 6, pairings include the Wilson Park Friday victors at 10:30 a.m. and the Worthen Park Friday winners at 12:15 p.m.

Opening night losses at Wilson Park will play at 2:30 p.m. July 6 and the teams beaten at Worthen Park will tangle at 4:15 p.m. July 6.

Concluding games July 6 will pair the 2:30 p.m. survivor with the 12:15 p.m. loser at 7 p.m. and the 4:15 p.m. survivor with the 10:30 a.m. loser at 8:45 p.m.

## 'Safety First' Theme of Boating Week in Area

"Safety first—the golden rule of boating that insures happy days afloat."

This theme of National Safe Boating Week June 30-July 6 stresses that caution and common sense are integral parts of pleasure boating.

The week will be observed by boating enthusiasts in the Quad-City area and throughout the U. S.

**Increasing Water Traffic**  
The 1968 Safe Boating Week has been proclaimed by President Lyndon B. Johnson, who points out that "each year, more and more Americans go boating in their leisure hours. If we are to prevent needless loss of life and property, this increasing traffic on our waterways must be accompanied by greater awareness of safe boating practices."

The principal agent of boating accidents last year was a careless operator. The most common errors were overloading of

small boats—mistakes easily avoided by the boatowner who understands his boat, its machinery and its operation.

"An aggressive and comprehensive program of safety education—supported, where necessary, by law enforcement—can reduce the rate of boating accidents and make boating what it should be: a purely pleasant recreation."

"Recognizing the need for emphasis on boating safety, the Congress of the United States, by a joint resolution approved June 4, 1958, has requested the President to proclaim annually the week which includes July 4 as the National Safe Boating Week."

The special week honors the many persons and organizations who have contributed toward maintaining boating's safety record and also spotlights the continuing need to "keep boating safe."

**41 Million Participants**  
Over 41 million Americans go boating each year.

This year, more than 900 U. S. Coast Guard Auxiliary flotillas, 360 U. S. Power Squadrons, 350 boat clubs and scores of other boating groups throughout the country will join in sponsoring boat parades, re-

garas, boating safety demonstrations and other activities.

Ten basic rules being emphasized are:

1. Know your boat.
2. Don't overload it.
3. Keep a good lookout.
4. Operate at safe speeds.
5. Respect the weather.
6. Weather, Fuel, Equipment
7. Take sufficient fuel.
8. Keep your boat in shape.
9. Carry necessary equipment.
10. Secure your boat properly.
11. Obey the law.
12. Other points include:

Each boat operator is responsible for his boat's wash and wake.

Reckless operation is punishable by fine and imprisonment.

Boats in the "danger zone" (dead ahead and starboard side) have the right-of-way over one's own boat and should hold their course and speed.

Learn and exchange proper whistle signals to avoid misunderstanding.

An overloading boat is the "burdened" vessel.

Boats have right-of-way except when overtaking. Pass them well to leeward.

Large vessels and tows are not quick maneuverable. Keep clear, and give them room.

And be courteous and careful at all times.

# Local I-C Teams Will Seek Repeat Victories on Sunday

Who's in first? Not the two local teams in the Southeastern Illinois Inter-City Baseball League, but they will try to enhance their current positions in contests at 2:30 p.m. Sunday at Granite City and Troy.

Based on five wins and four losses) will host the East St. Louis Polish-American War Veterans (5-5) at Wilson Park. Granite City Steel Credit Union (2-7) will visit the Red Birds (1-8) at Troy.

Based on their records, Sunday's contenders are evenly matched. The two local squads occupy third and fourth place in the Blue Division, with East St. Louis second in the Red Division and Troy fourth in the latter division.

**Merced Nears 2nd Place**  
East St. Louis has only a half-game edge on Maryville's Red Sox in the pennant chase. Maryville (4-5) is slated to play at East Alton, which at 6-4 is a half-game ahead of Merced in the Blue Division race.

This leaves the two first-place teams to meet in the other game, which will take place at Collinsville. Paired will be Pocahontas (7-3) of the Blue Division and Collinsville (6-5) of the Red Division.

When there were similar clashes earlier in the season, Merced defeated East St. Louis 4-3, Credit Union nosed out Troy 8-4 and Maryville gained a half over East Alton.

It will be the final regular season game.

## Legion Hosts Softball Loop Leaders

Rained out of its scheduled American Legion Baseball League game at Dupu Tuesday night, Coach Bill Turpin's Post 13 squad will play the featured game of its 1968 season at 6 p.m. tomorrow at Wilson Park. Visiting will be first-place Belleville Post 38, undefeated in eight league starts.

Hosting Southwest Kiwanis of St. Louis for an exhibition game Tuesday evening, Post 113 dropped a 4-0 decision. Walby Goff spun a six-hitter but the home team was limited to four safeties, including two by Jeff Jones.

Still plagued by a lack of scoring punch, the young Granite City team saw the Kiwanis take the lead in the third inning. The visitors added three runs in the fifth on a single, sacrifice bunt, walk and home run. Post 113 erred twice and Southwest fielded flawlessly.

(Midjet Division — Smokey Padgett League Reds)

Optimists vs. Pirates at No. 6

Mathew Impalas vs. Burn's Cafeteria Cubs at No. 7

Four-run barrage that provided a seven-run lead. The teams then traded two-run safeties in the next three half-innings.

Four runs in the top of the sixth gave VFW a 9-7 lead and the teams improved the margin to 11-7 in the seventh. But in the last half of the inning, Local 16 turned the tide with a run on an error, triple by Tom Harris, another error, single by Carl Linhart, double by Cotton Singsler and single by Pitcher Russ Terry.

Single also homered and singled, VFW outlived the winning 15-11, aided by the three-hit contributions of Les McElroy, Bob Maloney and Pletz Patten.

**Kentucky Fried, B&E Planing Victors in Boys Softball Loop**

Kentucky Fried Chicken edged Lincoln Place 7-4 and B&E Planning Mill downed Don Realty 11-4 in High School Boys Softball League action Tuesday evening at Wilson Park.

Lincoln Place made a last-ditch effort which produced a run in the top of the seventh inning, but Kentucky had an insurance tally in the bottom of the sixth and then held on.

Kentucky, which took a two-run lead in the first frame, added another in the third on a triple by Dave Melzer and scored three more in the fifth. Tom Rusing scored three of the runs as the winner produced 14 safeties.

Domingo Valencia brought Lincoln Place back into the game with a three-run sixth, but the tripling with men on base. The boys garnered nine hits.

B&E opened its action with four runs in the first, climaxed by a triple by Bob Lewey, who also tripled home a run in the fourth and then scored himself.

Four more markers made the board in the bottom of the sixth, when Gary Simpson pitched.

Morris hit pay dirt with two runs in each of the fifth and sixth innings on successive singles by Larry Bloomquist, Bud Hoston and Joe Lehne, and then on a double by Jim Fitzpatrick.

By singles by Tom Byrne and Rod Hoover, Byrne and Rich Timmons had the other two hits for the losers.

## Bert's, Ashal Win Girls Softball Games

Bert's Chuck Wagon defeated Shady Lake 13-8 and Ashal Insurance dominated Busy Bee Truck 17-6 in High School Girls softball league action Wednesday night at Wilson Park.

Dennis Poulas had a perfect evening at the plate with five hits, including a home run and two doubles, to lead an 18-hit attack by Ashal. Her team jumped to a five-run lead in the first inning, and the game was tied as four more runners crossed the plate in the second inning.

Terry Hulse, Linda Fisher, Marie Taylor, Debbie Seebold and Debbie Portell each contributed two hits for the winners. Busy Bee, which rallied with five runs in the sixth frame on six hits, collected 12 strikeouts, including two each by Donna Meyers, Mary Lehn, Linda Vaughn and Jamie Lewis. Bert's and Shady Lake each totaled 11 hits. Shady Lake took an 8-4 lead with three runs in the top of the fourth inning, but Bert's came back with seven in the bottom of the frame and added two insurance runs in the sixth.

## Credit Union to Meet Belleville Saturday

The Granite City Steel Credit Union softball team will play the Belleville VFW team in an exhibition fast-pitch double-header beginning at 7 p.m. Saturday at Wilson Park.

The Belleville team has an overall record of 16 wins and two losses, playing in two Illinois Class "A" leagues, and has two top pitchers in Cleo Schwaegel and Dick Holder. Credit Union has an eight-and-a-half record.

## Custom Engraving Wins 12-11 Class C Battle

Custom Engraving scored a run in the seventh inning to edge W-W Confectionery 12-11 in a Class C Slow Pitch Softball League game Wednesday night at Worthen Park.

In other action, Branding's outslugged Fourth Street Tavern 24-15, Caton Enterprises bested American Legion 13-4 and the Raiders defeated Club Delmar 13-4.

Tom Ylikopas opened Custom Engraving's half of the seventh inning with a single and scored on a two-out double by Ralph Gauen to break a tie. Custom, outfit 13 to 11, was led at the plate by Gus Schalkham, Gauen and Doug Winter, each with two hits.

Mike Iyie homered for W-W, while Ben Pessell, Harry Gates, Dick Preen and hurler Jerry Davis each connected twice. Larry Wallace was credited with the win.

Forty-seven hits were counted in the Branding's - Fourth Street battle, with Branding's collecting 24. The deciding inning of the Branding's was the fifth, when nine runs crossed the plate on seven hits.

Ron Davis connected for three

doubles and a triple and Art LaVelle contributed two doubles for the winners, while Fourth Street was led by Charles Cross with three hits, including a home run and a triple, and Douglas Garrett, who also homered among three hits.

Ray Knight and Bob Harris each had round-trippers for Caton Enterprises, which out-hit the Legion 9 to 7. Hurler Larry Worthen held the Legion in tow after a three-run first inning, with an unearned tally coming in the sixth. Losing pitcher, Frank Milner, was tagged for four runs in each of the second and fifth innings and five in the third.

The Raiders opened with five runs in the first inning and added two in the third, five in the fourth and one in the sixth to outslug Club Delmar as pitcher John Robbers gave up eight hits, including two to Skip Snyder.

Bill Engeltke hit a three-run homer in the fourth inning, among two safeties, Gene Hudson singled, doubled and tripled, Russ McGovern doubled to tie the fifth, and nine runs crossed the plate on seven hits.

## Two of Four Worthen Park Games Played

Two of four Class C slow pitch softball games carded at Worthen Park Monday night were rained out, but W-W Confectionery bested Caton Enterprises 15-11 and Custom Engraving topped Club Delmar 10-9 before the downpour prevented further league play.

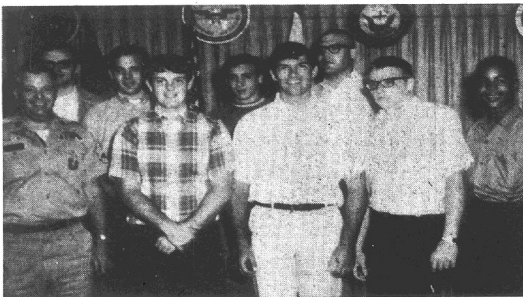

Five fourth-inning runs produced an 11-4 lead for W-W, which was ahead 15-5 when Caton saw its last-of-the-seventh rally halted at three runs. Twenty W-W hits included homers by Ben Hessel and Harry Gates, while Larry Todoroff and Walt Benaich each collected three of the losers' 16 safeties.

It was a 9-7 Custom lead until Club Delmar tied it in the top of the seventh on a single by Gil Gilliland and homer by Charles Jont. Tom Ylikopas and Ken Bolton then unlimbered high timber in the last half of the inning. There were earlier home runs by Custom's Ylikopas and Mike Welsler.

## Seven Local Youths Enlist In Army at Local Center

Seven local youths, including the co-captains of Granite City high school's 1965-66 football team, are undergoing basic training at Fort Leonard Wood, Mo., following their recent enlistment into the U. S. Army.

The group includes six Granite Cityans and a Madison youth. Staff Sgt. Morris L. Cook and SFC Harold C. Pratte of the local Army recruiting office announced today.

The Madison enlistee is Charles Orr, 17, son of Mr. and Mrs. Nathaniel Orr, 205 Viola

Jones Homes, a 1968 graduate of Madison high school, who selected the medical service as his guaranteed enlistment option.

The Army recruiters noted that all six Granite City enlistees selected Regular Army service as their guaranteed enlistment option. The Granite City recruits are Gary Lee Johnson, 20, son of Mr. and Mrs. Leo Johnson, 4021 Sara avenue, and Ricky Lee Turner, 20, son of Mr. and Mrs. James Turner, 1719 Ferguson avenue.

Both are 1968 graduates of Granite City high school, where they were three-year lettermen in football and co-captained the Warrior team during their senior year. Johnson, who played full-back, attended Southern Illinois University—Southwestern campus for two years, while Turner, a half-back, attended the same school for a one-year period.

Other Granite City enlistees are Howard Doyle Abernathy, 21, son of Mr. and Mrs. Howard Abernathy, 2318 Victory drive, a 1965 graduate of the local high school; Thomas Lee Stutch, 19, son of Mr. and Mrs. Fred Stutch, 2254 Benton street, who attended SIU-SW for one year following graduation from GCIS in 1966.

Billy Dean Mank, also a '66 GCIS graduate, whose parents, Mr. and Mrs. William C. Mank, reside at 2625 Highway 67; and Billy Joe Creek, 17, son of Mr. and Mrs. Edward Creek, 1591 Edwardsville road, who attended the local high school prior to enlistment.

Also enlisting in the group was Charles Wayne Frame of Litchfield.

The local U. S. Army Recruiting Station is located at 1340 Niedringhaus avenue.

## VFW Junior Girls Unit Plans Cake Walk July 12

The Junior Girls Unit of the Veterans of Foreign Wars Auxiliary 1300 held a business meeting on Tuesday evening at the post home, with Debbie Kierski, president, presiding.

Fifteen members attended the first meeting conducted by the newly-elected officers under the direction of Mrs. Cleo Schefke.

Plans were made for a cake walk to be held on July 12 at the post and for a picnic at Monks Mound.

After the meeting the birthday of Donna Sanders was observed with the serving of cake and soda. Her mother, Mrs. Sanders was the guest of the evening.

## Venice Approves Viaduct Pacts For July Bidding

The Venice city council in special session last night authorized Mayor John E. Lee and City Clerk William "Mike" Ebersold to sign final agreements for construction of the proposed Broadway underpass and the relocation of Main street.

Mayor Lee said the agreements were to reach the state highway department in Springfield not later than tomorrow to permit a July bid call for the underpass construction. A highway department bid call had been scheduled in May, but was delayed when the New York Central railroad failed to get the agreements back in time.

Highway department officials have assured a July bid call if the agreements are completed by the end of this week. Mayor Lee said One change was authorized by the Venice council, requiring that part of a \$180,000 construction fund provided by the railroad, be applied toward the Venice cost share at the beginning of the construction work. Mayor Lee said a verbal agreement already had been reached on this point.

The Broadway underpass project originally was estimated at \$1.5 millions. The underpass will tie in with the new FA Route 151 along the riverfront.

garet of Scotland Church, 39th and Flad streets, with burial taking place at Calvary Cemetery, St. Louis.

Coroner Leonard Davis said today an inquest is pending.

### Summer Events For Junior Club

A pot luck dinner was held for members and guests of the Granite City Junior Service club Monday evening in the home of Mrs. Phyllis J. Hays, 5 Miami court, prior to a monthly business meeting.

Committee members making arrangements for the dinner were Mrs. Francisca Radwin, Mrs. Candy Kawula and Mrs. Jenn Gavlick.

A homemade article was given by Mrs. Linda Salich and won by Mrs. Kawula.

Guests were Mrs. Marian Wright, Mrs. Donna Hogan, Mrs. Della Pauly, the club's sponsor, and inactive members, Mrs. Betty Jo Kozar and Miss Marge Greendonner.

Mrs. Carol Tritschuh, second vice-president, presided at the business session in the absence of the president.

Miss Flora Mae Lensing, chairman of a committee to decorate a float in a Collinsville parade in July, announced the theme will be "TV Commercial." Assistant hostess will be Mrs. Jean Ann Vrenick, Mrs. Bernice Fitzpatrick and Mrs. Louise Kovar.

Plans were announced for the members to attend the St. Louis Opera on July 16 as their summer social.

The club will begin a summer fund project, with members selling products for the home.

Mrs. Polman, charity chairman, spoke to the club on purchasing special shoes for a retarded girl the club has sponsored for a number of years.

The July 8 board meeting will be held in the home of Mrs. Rena James, 3220 Westchester drive.

### Mrs. Davis Will Head Jayceettes

Mrs. Ann Davis was elected president of the Jayceettes at a dinner meeting Tuesday evening at the Round Table in Collinsville.

Other officers to serve for the 1968-69 season will include Mrs. Janiece Schmidt, vice-president; Mrs. Janet Partney, secretary; and Mrs. Agnes Freeman, treasurer. Mrs. Betty Lake was appointed to serve as publicity chairman.

Installation of the newly elected officers will be held jointly with the Jaycees on Saturday evening at a dinner meeting at the Army Depot.

During the business meeting, Mrs. Carolyn Haldeman was named to serve as chairman of a forthcoming rummage sale. Two awards for the Jayceette of the Month were presented to Mrs. Davis for her work as chairman of the homecoming project and Mrs. Kathy Jeffries as chairman of the Miss Granite City pageant.

Plans were completed for the club to make its annual donations to the Easter Seal Foundation and the Cancer Society. Thirteen members and two guests attended. The next meeting will be held July 30.

Also announced were the winners of a "poodle palace" contest held during the homecoming weekend. Ruth Phillip, 2738 Birch avenue, won first place and Margie Stefanoff, 2869 Ralph street, received second prize.

## Nameoki Twp. to Re-Define Precinct Six Boundaries

Nameoki town board members, acting on a request from County Clerk Eudith Horz, will re-define boundary lines of township Precinct Six, in which 38 residents of Granite City Precinct 32 voted in the June 11 primary, apparently due to incorrect voter registration cards.

The action was taken Tuesday night when the board asked Town Atty. Nick Vasiloff to prepare the re-definition resolution and forward it to the county clerk to re-issue voter registration cards.

Possibility of a contest in Nameoki Six Democratic precinct committee race arose following the June 11 election, with disclosure that 38 residents of Granite City Precinct 32 voted in Nameoki Six precinct. The 38 reside on Maryville road, Newell, Edgewood and Kilnary drives and Willow and Zippel avenues, an area annexed by Granite City since the last election.

In the June 11 election, incumbent Lester Kraft was defeated by Robert Beedle, who

polled 132 votes to 111 for the incumbent committeeman. A third candidate, Russell D. Robinson, recorded 55 votes. An election contest petition has not yet been filed by Kraft, who is reported considering the possibility. He has 30 days in which to contest the election results.

The error did not change the outcome of Granite City Precinct 32 race, in which Alderman Gerald Farley polled 248 votes, defeating William Brandt, who received 24. \$400.

Cong. Melvin Price advised the board by letter that he has referred to the Veterans' Administration and Federal Housing Administration the residents' request for inspection of homes in a new subdivision, where complaints were received of cracking basement walls.

A four-member delegation from Quiet Valley was present at the town board meeting and reported one family has moved because of basement problems. In other business, the board approved expenditures amounting to \$1547 from the road and bridge fund; \$440, special hard road fund; and \$213 from the general town fund.

## GC Stalls Action on August Street Exchange Proposal

Granite City council members took no action Monday regarding the need for an easement to provide right-of-way for a drainage ditch under the \$3,300,000 bond issue-federal grant project, other than to accept petitions signed by 374 persons protesting the proposed closing of August street.

Alderman Bartosiak, chairman of the Special Sewer committee, called for a 10-minute recess at 9:20 p.m. for a back-room discussion of the problem. He indicated that condemnation might be required to get the 9.9 acres of Granite City Steel Co. property without giving up the 3.3 acres of August street right-of-way that cuts across steel mill property between East 23rd street and Edwardsville road.

The chairman indicated court proceedings for condemnation could take more time than the city has at present.

The contract for construction of the storm water system was awarded last month and work has been started in East Granite with installation of lines leading to the ditch.

**Several Meetings**  
At a meeting several weeks ago and again last week, Granite City Steel Co. let it be known to the city that it had no desire to give up 9.9 acres of its industrial site but would consider swapping the ditch right-of-way for August street. Mayor Parney commented the right-of-way easement should have been obtained before the construction contract award for the ditches, which would be along the south side

of East 23rd street, along Nantecodi road between East 23rd street to Edwardsville road and on steel mill property along Edwardsville road to the levee district drainage ditch.

He added that he felt the responsibility was with the bond attorney and the project engineer.

Bartosiak indicated further negotiations with steel mill officials would be undertaken before next Monday night's council session.

A delay in carrying out the exchange proposal was urged in a letter from City Atty. Allen read to the council at the start of Monday night's meeting.

**Money Payment**  
He pointed out that while he had not researched completely the laws and courts decisions on vacating streets, that under past practices the council has received money payments for vacating streets and alleys for industries and that the streets and alleys were little used.

The city attorney questioned the extent to which August street is used. He also called attention to a suit filed years ago when the council vacated a section of 10th street for Corn Products Refining Co. and that courts struck down the ordinance.

The street-closing protest petitions with 374 signatures were presented to the council by First Ward Alderman Dallas. Alderman Robertson objected to Allen's letter being placed in the minutes, saying it decided confirmation. However, the motion for accepting the letter was approved.

## Committeemen Re-Elect Simmons County Chairman

Walter T. "Buck" Simmons of Venice was re-elected by acclamation Monday night to his fifth consecutive term as chairman of the Madison County Democratic Central Committee.

The harmonious convention was held in the Madison county courthouse at Edwardsville to reorganize the county committee and to discuss plans for sending a large delegation to the state Democratic convention in Springfield tomorrow. Approximately 130 of the 185 Democratic committeemen who make up the county organization also re-elected James Chapman, incumbent county recorder of deeds, as secretary and treasurer of the county committee—a post he has held continuously since 1944. Chapman's re-election also was by acclamation.

**Elected by Acclamation**  
Simmons was nominated shortly after the convention convened by John Haynes of Venice. A second to the nomination was made by the chairman of all of the county township Democratic committees. While virtually all of the township organizations had endorsed a unit rule in support of Simmons' reelection, no floor vote was called and Simmons was elected on an acclamation motion.

Simmons has been chairman of the county Democratic organization since 1960. Simmons

### Parked Auto Struck

An auto driven by Mary M. Huddleston, 1303 Granite avenue, backed into the right front of the parked auto of Mildred L. Condis, 1302 Rhodes street, at 11 a.m. Tuesday at 13th street and Edwardsville road. Damage was minor.

### Faces Traffic Charge

John D. Wilson, 535 Salveter street, Venice, was arrested by Venice police at 10 a.m. yesterday and charged with parking too close to a fire hydrant. Wilson posted his driver's license as bond.

and Chapman were the only county committee officers named since the organization has no vice-chairman. Plans were discussed for mustering a large attendance from Madison county at the state Democratic convention which will open in Springfield tomorrow. delegates to select delegates to the National Nominating convention in Chicago during the latter part of August.

**To Vote Unit Rule**  
Simmons explained that chairmen of township organizations are allowed to name one delegate and one alternate delegate to the state convention for each 300 votes cast within the respective township in the last previous election. Committee men attending Monday night's county meeting approved a resolution calling upon Simmons to cast the county's entire voting strength on election of state committee officers and other issues that come before the state convention.

The state Democratic convention will convene at noon tomorrow and is expected to recess after the selection of a large delegation and several speeches for a later session in Chicago. Date of the Chicago meeting will be announced later and is expected to be set after the national nominating convention. A platform for the November general election is expected to be drafted in the Chicago meeting of the Illinois Democratic organization.

Preliminary hearings for three men accused of theft in connection with a gasoline theft plot uncovered at Shell Refinery Roxana are to be resumed today.

from in the court of Ed-  
dardsville Magistrate Joseph  
Fleisher. The hearing was  
continued, and recessed until to-  
morrow.

While the two other war-  
rants have been issued in the  
case, one against Cecil Huetch,  
driver of a Belleville trucking  
company, and against a gangster  
Melow, a Wood River serv-  
ice station operator who al-  
ready received a large fine  
for possession of a machine gun.  
Chief Deputy Sheriff Frank  
Muelich, Huetch surrendered  
yesterday, and Melow is the  
fugitive against Melow has not  
yet been served. He is reported in  
California, Schmidt said.

The two men were finally ar-  
rested at Shell Refinery at mid-  
night last Friday, and charged  
with theft over \$150, include  
the car, a 1934 Buick, of 6288  
Nevada avenue, Granite City;  
James L. Riley, 36, of Wood  
River, and William Waters, 46,  
of Jacksonville.

Authorities said the scheme involved the unauthorized loading of gasoline trucks after Wilson and Riley, employed as loaders at the Shell plant, disengaged the meters at loading docks. Plant officials said the thefts have occurred over 18 months and possibly as far back as 1964.

James Heil, assistant state's attorney of Alton, said further arrests in the case are expected.

## Party Honors Mary Ribbing

Mary Sue Ribbing, ten-year-old daughter of Mr. and Mrs. Joseph Ribbing, 2217 Edwards street, celebrated her birthday Monday with an afternoon party given by her parents.

The living room was decorated in blue and yellow streamers and colored balloons and refreshments were served by Mrs. Ribbing. The children took part in games and prizes were awarded the winners.

Those present were Rebecca Batton, Marie Flack, Dawn Gasparovich, Karla Hagauer, Jeanette Juneau, Susan McQuade, Rhonda Moore, Patricia Mueller, Cheryl Pryzoda, Patricia Szymarek, Paula Werth, Elizabeth Zelenka, Carol and Pamela Vasquez, Mrs. Edward Ribbing and Mrs. Marvin Ribbing and the honoree.

## Hospital Group Hears Reports

The June meeting of St. Elizabeth's Hospital Auxiliary was held Monday evening in the hospital library.

Mrs. Helen Bergfield presided and Sister Mary Thomas spoke briefly on coming events and introduced Sister Daniel, who is beginning her year of internship in hospital administration.

A report was also made by Mrs. Marge Norwood on the success of the recent chicken and dumpling dinner.

After the business hour, a white elephant sale was held and refreshments were served by a committee composed of Mrs. Grace Hennrich, chairman, Mrs. Irene Argelan, Mrs. Florence Ashal, Mrs. Ophelia Dorrich and Mrs. Rinda Brown.

REV. AND MRS. LOWELL DEWAYNE JOLLY, who were married recently at the Gospel Assembly Church in Anna, Ill. The bridegroom is a son of Mr. and Mrs. Lowell Jolly, 1148 Rhodes street.

## MRS. DUDLEY GETS MOOSE WOMEN POST

Mr. and Mrs. Wesley Dudley and Mr. and Mrs. George Lipscomb have returned from Chicago where they attended the International Convention of the Women of the Moose.

Mrs. Dudley was appointed Deputy Grand Regent of Illinois at the meeting, the first such appointment of the Women of the Moose in this area. The Dudleys are members of the Wood River Chapter and Mr. and Mrs. Lipscomb are members of the Granite City Chapter.

## Jolly-Phillips Wedding

Announcements have been received of the wedding recently in Anna, Ill., of the Rev. Lowell Dewayne Jolly, a son of Mr. and Mrs. Lowell Jolly, 1148 Rhodes street, Granite City, and Miss Janice Gail Phillips, a daughter of Mr. and Mrs. Dave L. Phillips, Country Club road, Eldorado, Ill.

The ceremony was performed by the Rev. G. R. James, pastor of the Gospel Assembly Church in Dawson Springs, Ky. The bride was given in marriage by her father. She wore a formal gown of silk organza and lace and carried a bouquet of white daisies and baby breath.

Miss Esther Walker was maid of honor and Misses Tempe Gerda and Carol Seibold, a niece of the bridegroom, were bridesmaids. Others in the wedding party were Regina Hunter, flower girl, Larry Seibold, a nephew of the bridegroom, best man, and Jim Reynolds, and Gary Herren, groomsmen. Michael Seibold, another nephew of the bridegroom, served as ring bearer.

The former Miss Phillips was previously activities director of the Eldorado Nursing Home, Inc., and was organist at the Eldorado Gospel Assembly Church. Rev. Jolly has been serving as pastor of the Anna Gospel Assembly. The couple will establish residence in Tampa, Fla.

## GHS '48 REUNION RESERVATIONS DUE

Tickets for the 20th reunion of the January and June graduating classes of 1948, set for July 6 at Fischers restaurant, Belleville, must be purchased by Friday.

No tickets will be available at the door and all reservations must be paid for by Friday, to either Mrs. June Tempio Baumann, 3444 Lydia lane, Mrs. Allen Gasparovich Smith, 2312 State street, or Paul Schuler at Midtown Pharmacy on Johnson road.

## ATTEND NAZARENE GENERAL ASSEMBLY

Rev. and Mrs. George Reader, Rev. and Mrs. G. M. Pace, Mr. and Mrs. Kenneth Whittington and children Lynette and Kendall, Mrs. Mona Setser, Mr. and Mrs. Victor Wilkins, and Miss Gayle Cox, of the area Nazarene Churches have returned from Kansas City, Mo., where they attended the Nazarene 17th General Assembly.

MRS. JAMES BOSWELL, a bride of Saturday. Before her wedding at First United Presbyterian Church she was Peggy Anne Schaefer, a daughter of Mr. and Mrs. William E. Schaefer, 804 East Chain of Rocks road.

## County Adopts 'Weighted Vote' System

A "weighted voting" concept of reapportionment was adopted by the Madison county board of supervisors Monday, but only after the plan was amended to assure virtually no change in the makeup of the board membership.

Approval of a resolution to initiate the system—by a vote of 40 to 4—followed lengthy and frequently heated debate in which an attempt by a minority bloc of supervisors to table the issue was defeated 30-to-14.

The resolution, prepared and presented by the board's legislative committee, provides that each township remain intact and have votes on the county board in proportion to its population. Specifically, township supervisors would be entitled to a vote for each 7500 persons in their township.

7500 Persons Per Vote  
Illinois law currently operates under the same principle that township be represented by one person for each 7500 population. The "weighted vote" increases the voting power of each board member according to population.

The fact that the resolution made no specific reference to the township supervisors as members of the county board drew considerable criticism and resulted in an amendment by Dan Churovich, Granite City assistant supervisor, providing that assistant supervisors be included on the county board makeup in proportion to population.

First attack on the resolution came from Joseph Watsker, Alton assistant supervisor, who noted that while reapportionment was necessary, it should be submitted to study by a citizens committee because "this issue is too close to board members."

Supervisor Board  
Watsker was strongly booed by his fellow supervisors for this suggestion and Granite City assistant supervisor remarked that "we can handle our own business."

Alton Assistant Supervisor Ray Gulloway then moved that the resolution be laid over for further study because some members had not had adequate time to study it. The motion lost 30 to 14.

The board then approved Churovich's amendment by a 41 to 3 vote and then adopted the resolution, as amended, by a vote of 40 to 4.

All four votes against the proposal were cast by assistant supervisors of Alton, including Gulloway, Watsker, George Roberts and Alton May. May was the only member of the legislative committee that refused to sign the recommendation that the resolution be adopted.

Some Not Invited  
William Nicolet, Godfrey township assistant supervisor, objected that the weighted vote plan was drafted in a meeting of supervisors to which the assistant supervisors had not been invited.

The amended resolution will be sent to the Illinois Association of Supervisors and County Commissioners which is now studying reapportionment problems resulting from the Supreme Court ruling favoring the one-man, one-vote concept.

Harry Briggs, Nameoki township supervisor and chairman of the board's legislative committee, told the board that the resolution is not binding upon the board as a permanent regulation, pointing out that the board could add other recommendations in the future.

Briggs told the Press-Record after the meeting that importance of the issue was overemphasized because it "merely constitutes a recommendation to the state organization (of county officials) as to how Madison county feels on the reapportionment problem."

Briggs said the state organization is studying the reapportionment issue with a view toward preparation of recommendations for state legislation that will meet the one-man, one-vote requirement of the Supreme Court ruling. He said counties throughout the state are making suggestions and recommendations to the state body.

## City Insurance Bid Opening Is Postponed

With the mix-up of Granite City council committees continuing Monday night, no action was taken for opening of three bids received for a package city liability insurance policy.

The sealed bids were turned over to Comptroller Robert Stevens to be held until such time as a committee is named to open them publicly. The bids are to be notified of the time and place, according to council directions.

Alderman Rutledge, chairman of the mayor's finance committee, whose committee report was rejected by the council, had the insurance bids and presented the motion to delay the opening "until a proper committee is designated."

No action was taken by the council or the mayor to name a special committee for the task. Stevens said the bids were submitted by Robert Rouland, by Robert A. Cruise for the Illinois Mercantile Agency, 3210 Nameoki road, and The Bond Men, Inc., St. Louis.

Council members voted 10-to-6 to favor a \$110 expenditure for half the estimated costs to send the air pollution control board technical secretary to a National Air Pollution Control Association meeting in St. Paul, Minn., this weekend. The city control board had asked for the technical secretary and a board member to attend at a cost of \$40, but that proposal was turned down several weeks ago.

Alderman Whitmer said the national meeting will give an opportunity for the local technical secretary to confer with clean air officials from other industrial towns who might have similar "red dust" problems from basic oxygen furnaces.

Placed on file was a request by Henry Bielecki, chairman of the city Air Pollution Control board, for the technical secretary and a committee to visit Bedford Park, an industrial town near Chicago, which has obtained a certificate of exemption from the state board. Bielecki said the town has a population of about 1000, but a industries employ about 30,000.

It is credited by the state board with having an exceptional clean air program, he added.

Also placed on file was a letter from City Atty. Allen outlining a new arrangement for employment of a city attorney with a maximum of four meetings a month specified and payment of \$25 an hour, minimum fee, for a year additional meetings. Allen stipulated a new arrangement would have to be made because of the increase of workload for the city attorney.

The city attorney salary currently is \$7300 a year with a \$500 expense allowance. Allen has provided for an assistant to receive \$4800 a year.

## Fourth of July Fetes Set for GC and Madison

Observance of the Fourth of July in the Quad-Cities will extend this year over a five-day period with celebrations in Madison and Granite City to get under way Wednesday afternoon, July 3, and continue through Sunday, July 7.

A wide assortment of midway rides, fireworks displays, booths sponsored by local organizations, together with softball and baseball contests, will highlight festivals at Wilson Park and at the recreational grounds at this street and Highland avenue in Madison.

Firework spectaculars are planned in the two communities. However, Granite City's program that annually attracts hundreds of viewers will take place Thursday evening, July 4, while the Madison fireworks exhibition, is to be staged on Sunday night, July 7, the final day of the festival.

Co-sponsored by the Madison Lions Club and Madison Amvets Post 204, the celebration will be marked July 4 with a series of baseball contests, featuring youthful players from the Madison-Venice K-Houry League, according to Robert E. Rogers, newly-installed Lions president and general chairman of the Madison celebration.

Rogers said today a softball game pitting a combined squad of Venice and Madison police department personnel against a team fielded by Tony and Joe's Tavern is expected to attract a large audience at 10 a.m. Thursday. The game will be played at the festival site.

Madison Police Sgt. Richard Krieschok will captain the police squad, while another Madison Police officer, Capt. Frank Matko, will manage and pitch for the opposing team—winner of last year's contest, Rogers said.

The Granite City parade district holiday program also will include various baseball contests, Harold Brown, park superintendent announced. Midway rides at Wilson park will open at 4 p.m. Wednesday and continue until about 11 p.m., or so long as attendance requires.

Two teenage dances in the Wilson Park rink pavilion are scheduled the night of July 3 and on Saturday, July 6. Both events will be held from 8 p.m. to 11 p.m., with music furnished by the "Peppermint Pigs" on Wednesday and the "Mousberg Shotgun" Saturday.

Rides will be open at 1 p.m. July 4, continuing until 11 p.m. with the fireworks display starting at dusk. The following day, the midway will be operating from 4 to 10 p.m. and on Saturday, a matinee from 1 to 5 p.m. is planned, with rides reduced to 15 cents for the four-hour period.

Local organizations will operate concession stands at both the Madison and Granite City celebrations.

### Second Traffic Arrest

Robert E. Langworthy, 22, of the Granite City Army Depot, was arrested by Venice police early yesterday morning and charged with driving a car with an improper muffler. It was the second traffic arrest for Langworthy in three days. Sunday he was arrested on a charge of careless driving. Hearings on both charges are set next Wednesday.

### Madison Teacher Talks Stalemate on Contract

Contract negotiations between the Madison Federation of Teachers and the board of education reached a stalemate at a meeting Monday night between board members and the teachers salary committee. The teachers have rejected the board's previous offer for salary increases, and the board has decided that the contract terms remain the same as last year and a new start will have to be made.

The Federation's representative delegated as the spokesman for the teachers was not on hand Monday, and no additional talks have been set, according to Supt. Ray Dragic.

The board previously offered salary increases of \$31 to \$35 per month. The local has asked for pay hikes of \$128 per month for new teachers, a decrease in the size of classes and other benefits.

### County to Battle Ruling On Out-State Hauling Ban

A long court battle over regulations of Madison county's landfill ordinance loomed today after the county board of supervisors refused on Monday to rescind a resolution that bans dumping of trash and garbage in the county by out-of-state haulers.

State's Atty. Leon Scroggins said that in view of the board's position he would be forced to appeal to a higher court a Madison county circuit court ruling that the out-of-state dumping ban is unconstitutional. The ruling by Circuit Judge James O. Monroe Jr. also held that a \$100 permit fee for out-of-state haulers fixed by the county is likewise illegal.

The board, meeting in regular session at Edwardsville, was presented resolutions to cut the permit fee to \$50 and to rescind the ban. Both were tabled.

Controversy over the dumping ban developed after an amendment to the landfill ordinance was adopted earlier this year prohibiting dumping by out-of-state haulers in Madison county landfills. Landfill operators several months ago filed court actions and obtained a temporary injunction.

**Ban Unconstitutional**  
In granting the injunction Judge Monroe held that the prohibiting amendment unconstitutional because, he ruled, the act was an attempt to regulate interstate commerce.

He held the \$100 permit fee for out-of-state trucks, which had been adopted by the county in an earlier meeting, is illegal.

because it supercedes a \$50 permit maximum contained in state landfill laws.

County board members also adopted a resolution calling for a June 11 circuit court decision that granted Don Barton, Edwardsville, the right to establish a landfill in the Edwardsville area against the vote of the County Zoning Board of Appeals.

Associate Judge Michael Kinney negated the board's denial of the Barton request to establish the landfill. William Straube of Edwardsville, chairman of the board's Air Pollution Control committee, said that McKinney's decision, if allowed to stand, "would destroy the county zoning ordinance."

### Curtains Ignite, \$1500 Fire Damage to Home

Curtains over a kitchen stove ignited and caused a fire at the six-room frame home of Lacey Melton, 2137 Washington avenue, at 11:35 p.m. Tuesday. Damage was estimated at \$900 to the building, and \$600 to the contents due primarily to smoke. Firemen were at the scene about 35 minutes.

### Nephew Killed in Vietnam

Mrs. Frank Jones, 2673 Washington avenue, has received word of the death the past week in Vietnam of a nephew, Pvt. John F. Golden, 19, a son of Mr. and Mrs. Floyd Golden of Los Angeles, Calif. Pvt. Golden had been in Vietnam three months, and was killed in action.

### Life-Saving Courses Start at Wilson Pool

Local teenagers and adults may register through Monday for a combined junior and senior life-saving course which began today at Wilson Park pool, according to Clark Nye, assistant pool and Red Cross swimming instructor.

Classes will be conducted daily, Monday through Friday, 11:30 a.m. to 1 p.m., for a three-week period. Minimum age for the junior course is 12 years, while those registering in the Senior class must be 16

### Fireman in Hospital

Granite City Fire Capt. Alvin Brandes was admitted to St. Elizabeth Hospital Tuesday afternoon to undergo surgery on his elbow. His stay is expected to be brief.

years or a high school junior.

Certificates will be awarded those who successfully complete the course. Classes are open without charge to all Granite City residents. However, a \$1 insurance fee is required for registrants who have not previously paid the fee in other park-sponsored programs.

### Driver Fined \$110, Costs

Clarence Green, 47, of 2500 Denver street, was fined \$100 plus \$10 costs on a right-of-way violation charge and \$10 plus \$5 costs on a charge of littering a state highway Tuesday afternoon in magistrate's court. He was arrested by a state trooper.

### Trash Burns at Dump

Firemen were called to the Seebold Concrete Co. dump at the 22nd street railroad crossing where a trash fire was burning at 8:25 p.m. Tuesday. There was no damage.

### 40th Anniversary Fete is Planned

Mr. and Mrs. Louis Cionko will be honored on their 40th wedding anniversary at an open house reception Sunday to be held in the Fellowship hall of the First Assembly of God Church, 24th street and Grand avenue, from 2 to 5 o'clock.

Mr. Cionko was reared in Madison where his family had a grocery business and at the age of 19, with his parents, visited their native country of Romania. There he met, his wife, Vita, and they were married on June 20, 1928, in Igrisi, Romania.

After they returned to this country he opened a grocery store at 28th and Madison avenue, which is still in operation. He retired twelve years ago.

They are the parents of two sons, John and Louis Cionko, and four daughters, Mrs. Sophia Huebner, Mrs. Mary Ritchie, Mrs. Helen Lindsay and Mrs. Jo Ann Strain and have 29 grandchildren.

### TOPS CLUB STARTS FITNESS PROGRAM

Members of the Tops Whittle by Whittle Club have been meeting five times a week from 9:30 to 10 p.m. on the playground at Sacred Heart school for a physical fitness program. They invite other Tops club and interested persons to join.

Mrs. Peggy Hackney, leader and organizer for this area, said five men could form their own separate club and a teenage club may begin with five members. Interested persons may contact her for more information.

**FORMER RESIDENT VISITS**  
Mrs. Lorraine Benyer of San Diego, Calif., left Tuesday for her home after a visit of ten days with her brother and sister-in-law, Mr. and Mrs. Marvin Boyer, 1601 Dodge avenue, and other relatives in this area. While here Mrs. Benyer attended the wedding in St. Louis county of her niece, Miss Carol Boyer, and Bill McFarland of Iowa, and spent some time with her parents, Mr. and Mrs. Stephen Boyer in Tiff, Mo.

### Miss Bulander Is Honoree

Miss Karin Bulander, who will be married July 6 to Sp5 Kenneth Meadows of Fulton, Ohio, was honored by a pre-wedding shower at the Second Baptist Church Tuesday evening by her aunts, Mrs. Goldie Smith, Mrs. Hilda McDermott and her cousin, Mrs. Nellie Dierker.

Games were played and several prizes awarded, a special prize going to Mrs. Eva McDowell.

Others attending were Mesdames Irene Berfels, Earline Cook and daughter, Sheryl, Eleanor Cook, Alma Burnett and daughter, Cordean, Frances Rappaport, Pat Wallis, Laura Lambeth, Loretta Atchison, Bessie Bond, Mary Atchison, Florence Paul, Margaret Lamm and daughter, Darla, Ida Mercer and daughter, Pamela, Misses Alpha Briggs, Regina Hall, Diane Brown, Pat Joshi, Lynda Long, Kathy Baker, Liz Mcasters and Mrs. Ann Bulander, mother of the bride-elect, and Mrs. Sadie Joyce.

### MOOSE WOMEN TO HOLD INSTALLATION

An installation of officers of Chapter 247, Women of the Moose, will be held at 6 p.m. Saturday evening at the Moose Hall, on Adams street. This is the Golden Anniversary of the lodge.

Those taking office will be Mrs. Doris Martin, junior graduate regent; Mrs. Edith Rodgers, senior regent; Mrs. Edna Miller, junior regent; Mrs. Dorothy Coy, chaplain; Mrs. Marion Lipscomb, record-keeper; Mrs. Cecelia Cruise, guide; Mrs. Georgette Toller, assistant guide; Mrs. Frances Westbrook, sentinel; and Mrs. Pearl Giffen, Aerie.

Lunch will be served and there will be dancing following the installation.

**ENTERTAINERS BROTHER**  
Mr. and Mrs. R. E. Hoppson of Kansas City, Mo., have returned to their home after visiting the former's brother-in-law and sister, Mr. and Mrs. Frank Jones, 2673 Washington avenue.

### Eagles Auxiliary Initiates Three

The Auxiliary of Eagles Aerie 128 assembled at the Eagles hall Tuesday evening for a semi-monthly meeting, called to order by the president, Mrs. Helen Lipchik. Reports were given by Mrs. Eleanor Hays, secretary, Mrs. Leta Delapoy, treasurer, and the visiting chairman, Mrs. Norma Hemken.

An initiation ceremony was held for three new members, Mrs. Emma Gobbie, Mrs. Doris Gaines and Mrs. Brenda Roderick. The ritual team consisted of Mrs. Marge Hall, holding the station of president, Mrs. Florence Hagnauer, junior past president, Mrs. Helen Frazier, vice-president, Mrs. Lipchik, chaplain, and Mrs. Ann Konopka, cantor.

Mrs. Lipchik announced that a pot luck dinner for the Auxiliary and Aerie will be held at the hall July 13 at 7 p.m. The Eagles kitchen band will provide entertainment.

The president appointed a deliberative committee consisting of Mrs. Brenda Richert, and a heart fund chairman, Mrs. Konopka. Mrs. Lipchik presented Mrs. Hagnauer, junior past president, with a plaque and membership from the Grand Aerie. In games, prizes were awarded and a special prize to Mrs. Hagnauer and a white elephant to Mrs. Richert.

Mrs. Vernice Von Nida furnished fresh-cut flowers for the serving table and refreshments were served by hostesses for the evening, Mesdames Lipchik, Konopka and Frazier.

### QUILTERS HONOR MRS. ANNA ALSOP

The Quilting Ladies of Nameoki United Methodist Church met Tuesday for their weekly luncheon and quilting session and honored Mrs. Anna Alsop, one of their members, on her wedding anniversary.

Others attending were Mesdames Lucille Russell, Eha Potter, Virgie Daniels, Alma Cowan, Ione Niemeyer, Viola Ridings, Dorothy Sillett, Viola Thomsberry, Lexie Vick and two guests, Mrs. Doris Lathrop and Mrs. Nellie Jones of Steelville, Ill.

**LUTHERAN WOMEN HEAR  
DR. RAYMOND TROYER**  
Dr. Raymond Troyer was the guest speaker at a monthly meeting of the Peach Lutheran Women Tuesday evening at the church. He spoke on the parent-child relationship today.

Mrs. Glenda Kirker served refreshments following the meeting to Mesdames Florence Beltinger, Carol Gendron, Catherine Seim, Mariette Schöcker and Barbara Wright and the guests.

Mrs. Kirker, president, announced final plans for the church family picnic to be held in August at Greenville.

The group will resume its meetings in September.

### FCC Issues Directive On Disaster Warnings

The Federal Communications Commission recently issued a directive permitting daytime-only radio stations to broadcast information regarding local disasters or other emergency conditions during night-time hours, according to Victor H. Koenig, Granite City Civil defense director.

Koenig said, the FCC order was issued at the request of CD authorities who utilize local radio station facilities to transmit information to the public in event of emergencies. Prior to the new directive, stations with daytime-only licenses were legally unable to broadcast warnings other than during their designated operating hours, usually between sunrise and sunset, the CD official explained.

Area residents are reminded upon hearing the emergency signal network to immediately switch on a radio for details of threatening weather conditions, or to receive other emergency broadcasts, Koenig said.

Granite City's siren network is activated upon advice of the U. S. Weather Bureau or local officials. If a funnel cloud is sighted within the two-state metropolitan area and adjacent counties, and at 10:30 a.m. each Tuesday of the month as part of a testing procedure, the CD director said.

### Two Madison Fire Calls

Madison firemen were called at 6:15 p.m. yesterday to the home of John H. Haynes, 315 West Second street, when a leak in a gas stove exploded. There was no damage. Haynes is a Madison city alderman of Ward 3. Madison firemen also were called at 3:15 p.m. yesterday to Harris street and Cambridge avenue where a large shed was destroyed in the alley behind the home of Herbert McClure. Heat from the flames scorched the Temple Baptist church on an adjoining lot.

### Parked Car Damaged

The right front of a car driven by George M. Woods, 25, Louis, and the left rear of a parked car owned by Lucy K. Adams, 201 Madison avenue, Madison, were damaged at 7:15 p.m. yesterday in an accident at Second street and Madison avenue. Woods told police he turned the corner into Second street and struck the parked auto.

### RR Car Catches Fire

Venice firemen were called at 6:15 p.m. Tuesday to Purdy Co. to extinguish a blazing railroad freight car that caught fire from a welding torch. The car was being cut up for scrap metal. There was no loss but the fire endangered rail ties and tracks upon which the car was standing, firemen said.

The wrongs of some people are continually getting mixed up with the rights of others.

### CANASTA CLUB DINNER

Mrs. Elsie Canner of Venice served dinner in her home Monday evening to members of the Fourth Monday Canasta club. These seated at the dining room table, which was covered with a pink cloth and napkins, were Mrs. Rose Ritz, Collinsville, Mrs. Marge Purcell and Mrs. Lenna Williams, both of Madison, and Mrs. Ruth Canner, Mrs. Lorene Morris, Mrs. Mabel McGee and Mrs. Bea Schaffner, all of Venice.

A home-baked cake and other refreshments were served by the hostess. Canasta was played, with Mrs. Ritz holding high score, Mrs. Morris second and Mrs. Schaffner, third.

Mrs. Purcell has invited the group to Effingham, Ill., to spend the day and night at her home on Lake Pauline on its next meeting date in July.

### BRIDAL SHOWER HONORS

#### PATRICIA ANN NOVOSEL

Miss Patricia Ann Novosel was honored with a bridal shower given Sunday afternoon at the Polish Hall in Madison.

The shower arrangements were made by Mrs. Julia Novosel, mother of the honoree, Mrs. Veronica Nizinski, the prospective bride's aunt, and Miss Vickie Baczewski, her god-mother.

The gift table was adorned in white and pink. Gifts were opened by Miss Novosel, assisted by her prospective maid of honor, Miss Dolores Mulik.

A buffet luncheon was served to approximately 45 guests.

The wedding of the young couple will take place Saturday at St. Mary's Catholic Church in Madison.

### MRS. NISHKE HOSTESS

The Blahs club met in the home of Mrs. Margo Nishke Monday, pinocle being played by the group.

The hostess served cake and coffee at the conclusion of the game period.

Present were Mrs. Donna Nasalroad, Mrs. Rita Pasley, Mrs. Shirley Nasalroad, Mrs. Linda Nasalroad, Mrs. Mary Ballentine, Mrs. Kathy Brochman, Mrs. Maryann Ballentine, Mrs. Zelma Hart, Mrs. Donna Rogers and Mrs. Effie Cleve-

## Benefit Dances to Help Far East Student Trip

Two benefit Teen Town dances to help finance a trip for a Granite City student to the Far East this summer will be held from 8:30 to 11:30 p.m. today and Monday at the YMCA.

The student is Ronald Turner, son of Mr. and Mrs. James Turner, 1719 Ferguson avenue, who will be a sophomore at Illinois State Normal University, Normal.

He is one of 15 students at the university who were selected for a two-month fellowship to teach at the University of Taipei in Formosa under the sponsorship of ISU, the Blooming-

ton YMCA, the "Y" World Service and the Ecumenical Campus Ministry at ISU.

### SHIP SHAPE CLUB MEETS

The pledge of allegiance and Tops pledge for weight watchers of the Ship Shape club were used for the opening of the meeting Tuesday evening at Schermer's civic center. Mrs. Marie Bryant was crowned "Queen of the week."

Penalties were given to those gaining weight during the past week, and a prize was awarded to Mrs. Yvonne Passie. A singing by her and the meeting closed with prayer by Mrs. Helen Townes.

Other members taking part were Mrs. Eleanor Baird, Mrs. Lorraine Gremard, Mrs. Lois Hansen, Mrs. Maryann Dall, Mrs. Diane Oels, Mrs. Wilma Larsen, Mrs. Zola Burgess, Mrs. Billie Schuller, Mrs. Patricia Lee, Mrs. Virgie Burgess, Mrs. Shirley Fries, Mrs. Hazel Trotts and Mrs. Elizabeth Bucher. Mrs. Trotts was awarded a charm bracelet and charm given for the first loss of 20 pounds.

### CLOSING MEETING OF QUEEN ESTHER CLASS

A monthly meeting of the Queen Esther class of First Baptist Church was held Monday evening in the home of Miss Nora Rogers, 1327 Second street.

Miss Altha Lassen, vice-president, presided over a business session. The class sang "Make Me a Channel of Blessing," was sung and charms of the Bible were quoted. The

students must defray part of the cost, and the "Y" youth department has decided to assist with the benefit dances.

The group will be gone from Tuesday to Sept. 3 and will teach English as a second language for four weeks at the university. They will reside in nearby religious hostels or in student dormitories.

The first will fly to Tokyo for a 10-day seminar with students from Cornell University, and later hope to visit Korea before returning to Tokyo and the U.S. The students will receive three to six academic credit hours for the trip.

Featured bands will be the Mossburg Shotgun tonight and the Minutemen Monday night.

### Prizes were awarded to Mrs. Hart and Donna Nasalroad.

The group will meet in the home of Mrs. Lorraine Gremard on July 1. New members will be welcomed at this meeting.

### Guests for the evening were Mrs. Betty Liddle of the Kirkpatrick Home Improvement Association and Dean Hornberger of the Illinois Youth Commission.

Members present were Karen Kramer, Diane Riggs, Rose Ann Liddle, Sharon Wild, Cecil Slaving and Mike Ray.

The next meeting will be at the Knickerbocker home July 2 at 7 p.m. Those aged 15-19 in the East Granite and Kirkpatrick area and interested in joining may contact Barnes at 205 Kirkpatrick or 877-2367. Meetings are held on the second and fourth Tuesdays.

### Belleville Kiwanis

#### Meet with GC Group

Twenty-four members of the Kiwanis Club attended the Monday dinner meeting at the Rose Bowl, which was an inter-club meeting with the Belleville club.

The guests furnished the program, which was presented by Rev. C. Hufferd, who has been active in Boy Scout work for the past 48 years and a school teacher for the same length of time. He previously taught in the Quad-City area.

Using the topic "Youth of Today in Comparison with Yesterday" he drew a parallel between the two generations, citing there is little difference in the personalities and with a little more faith shown the younger generation, they will become responsible citizens.

Michael Tondas, president, conducted a brief business session at which time a progress report on the annual boat races was given.

## Canadian YMCA Camp Available to Quad-City

An invitation to use the tent and trailer facilities of the Le Perrot Summer Centre of the Pontec-Claire YMCA in Quebec, Canada, has been received by the Tri-City Area YMCA, according to Marvin Van Metre, adult program director.

The invitation, which is open to all families in this area,

### points out that the 48-acre campsite is located on the St. Lawrence River within easy distance of Montreal.

Facilities include a swimming pool, heated showers, laundry and toilets. Electricity is available in the trailer area. Anyone interested may obtain reservation material from Van Metre, call 876-7200.

## Rotarians Hear Ecumenical Panel

Rev. Dr. David Maxton, pastor of the First United Presbyterian Church, was the program chairman for the Tuesday luncheon meeting of the Rotary Club at the YMCA.

He arranged for a panel discussion on the Ecumenical Program by Rev. Thomas Trece of Sacred Heart Catholic Church and Rev. Carl Johnson of Peace Lutheran Church.

They spoke on the changes taking place in their churches in connection with the Ecumenical programs relating to the Protestant and Catholic faith.

In their summation they pointed out the local exchange of pulpits. Rev. Lawrence Mattingly of St. Elizabeth Catholic Church spoke from the First United Presbyterian Church pulpit to a group of Rotarians a year ago.

Youth conferences have been held during the past year with the young people discussing their faiths. There also have been study groups among the adult members of churches at which time they have exchanged retreats with different ministers and shared plans for the future.

Rev. Trece is a member of the local Ministerial Association. Tentative plans for a "Home Show" in September were discussed during the business meeting, conducted by the president, Arthur Koepfer. Committees will be appointed at a later meeting.

Also announced was the officer installation dinner Saturday at the Rose Bowl. The installing officer will be Past District Gov. George Wilkins, and the featured speaker is to be Rep. Ralph Smith (R) of Alton.

# IMPORTANT NOTICE

Effective July 1, 1968, Milam Corporation East will provide the refuse and garbage collection for the City of Granite City, Illinois. During June, July and August of each year every residence will be serviced twice a week to insure a high standard of health and sanitation during the hottest time of the year. The other nine months of the year will be on a once a week basis. The map outlined below indicates the service days for the various sections of the city on the twice a week basis. Prior to starting the once a week service another announcement with a revised map will be placed in the Press-Record.

Each household is allotted two (2) metal containers, not to exceed 30 gallons in capacity, with tight fitting lids. All garbage should be wrapped in accordance with health and sanitation requirements and the containers should be placed at the alley line of the premises except where there is no alley, in which case the containers should be placed at the front curb line.

## Federal Tax Going Up But No State Tax Increase Likely This Year

(Review of legislation in Illinois General Assembly)

No new state tax increases are likely during the recessed session which will begin July 15.

The Illinois House Revenue Committee has defeated all proposed tax increase legislation, including an income tax and corporate franchise taxes.

It is possible that a new bill could be introduced during the summer session, acted on by a committee and voted into law. But this seems improbable, especially since this is an election year and since the Republican national convention starts Aug. 5, with the Democratic national convention following in late August.

A two-week session, or three weeks at the most, is anticipated.

Leaders of both the Senate and the House have told their fellow legislators that the session will end no later than Wednesday, July 31.

With state revenue expected to be in short supply for the second year of the July 1967-June 1969 biennium, Governor Samuel Shapiro is holding bipartisan meetings with key members of the House and Senate in an attempt to work out a plan for adequate financing.

Many of the legislators are looking to the proposed constitutional convention as a step toward achieving a practical and permanent method of meeting state government financial needs.

At the general election in November, voters will decide whether to call a convention; they later would have a chance to vote for or against the new constitution that would be drafted.

In pre-session committee activity at Springfield in recent days, the House Revenue Committee killed a franchise tax

increase bill and a 2% flat-rate income tax on corporations and individuals.

Another proposed franchise tax measure was postponed indefinitely by the sponsor when it appeared that the proposal faced defeat in the House.

The sponsor of a proposed income tax said it would yield \$410 million or \$420 million a year.

However, enactment of an income tax would require consideration of hundreds of diverse technical problems including how to handle patents, royalties, allocation of income between states, and the tax's effect on interest on bonds from other states.

The vote against the flat-rate income tax was 23-4.

The franchise tax bill, defeated 19-9, would have raised it from one-tenth of 1% to a full 1% per year. The tax levied last year doubled it from 1/20th to 1/10th of 1% of stated capital and paid-in surplus.

The corporate franchise tax has nothing to do with investment in Illinois, the volume of business or profits; it is based solely on the form of capitalization. For this reason, it is regarded as an inappropriate base for taxes.

The second franchise tax bill would have increased the rate to one-fourth of 1% and would have changed the minimum maximum from \$100-\$1,000,000 to \$25-\$1,500,000.

The committee also defeated a proposed one-fourth cent sales tax increase for cities which would have raised the total sales tax on retail sales from the dollar to 5 1/4 cents.

Legislation approved by the revenue committee would exempt purchases from use tax for items purchased for use in interstate commerce.

## State Upgrading the Water Quality Required in Streams and Rivers

(Illinois Committee for Pure Air and Water)

New water standards set in 1967 for Illinois streams make it mandatory that there be an upgrading in water quality—one way or another. These standards call for a higher degree of sewage treatment will be "secondary treatment" will be "necessary everywhere," says William C. Ackermann, chief of the Illinois State Water Survey.

"And tertiary treatment will be needed in some places to raise the level of streams to meet the standards. At the same time, more loads are being put on these streams—drugs, detergents and more people—which means more potential pollution."

Since many communities in the state are now unable to finance solutions to their sewage problems, the state's \$1 billion water-air-recreation bond issue is a possible answer.

As it stands now, local communities must put up 70% of the money for sewage treatment plants and order to get 30% in federal funds.

If the bond issue passes, communities will have to raise 20% of the necessary money—the federal funds will make up the other 80%. This could be a boon to the more than 1,000 small towns in Illinois which now have no sewage treatment facilities.

Ackermann points out that if the bond issue does not pass, a heavy burden will be placed on these local communities. Since the water standards must be met, towns which are unable or unwilling to take care of their sewage problems will have to be taken care of by the Sanitary Water Board has some very effective methods for enforcing water standards in streams will be monitored and, if pollution is found, a city or industry can be called in for

a hearing. Then, if the pollution is not abated within a reasonable time, heavy fines may be imposed.

Moreover, the Board may refuse to approve additions to a community's water system, thus stifling growth until action is taken to stop pollution.

Other phases of the Water Plan simply cannot be enacted unless the bond issue passes in November.

If it does not pass, Ackermann believes that Illinois will not be as good a place to live. "Flood losses will continue to mount," he says, "and people will continue to leave Illinois for vacations, since we now have less recreation area than other states. Also, increasing demands on our water supply may produce serious conditions by 1960 unless steps are taken now to store and move our water."

"The \$1 billion bond issue, and the federal and local funds it generates, will solve our present problems by 1980," Ackermann says. "But research must go on to solve problems which come up as others are eliminated."

He mentions "heat pollution," radioactivity and the presence of nitrates and phosphates in water as problems that will likely arise in the not too distant future.

"Invisible air pollution"—that is, dangerous but unseen chemicals in the air—also have serious implications for 1980 and beyond.

Working for clean water and air is a continuous process. It begins with research but must culminate with action. Since dollars are needed to translate research into action, the \$1 billion bond issue for air and water resources is regarded as an important step.

## 60-Minute Giving May Be the Answer To Meet Needs of United Fund Agencies

In view of continuing inflation and changing needs which it would be unwise to ignore, the Tri-Cities United Fund may find it essential to expand rather than attempt to hold the line on its budget, despite the fact that the last drive goal was not attained.

The only responsible way to boost the spending side of the ledger is to increase income, and 60-minute-a-month giving could well be the way to make this possible.

Already, employees of some firms have advanced to an hour's pay a month as the guideline for their United Fund giving. Those paid \$3 an hour pledge \$36 to the UF during the next year; those receiving \$4 an hour contribute \$48.

Many employee groups still utilize the 30-minute formula, but a realistic view of Quad-City health and service agencies would convince anyone that this is inadequate for 1968-69. Virtually all the agencies are pinched for funds, and further economy measures would curtail programs already on shaky financial ground.

Some people undoubtedly object or limit their UF participation for reasons that they might find unjustifiable if they brought them to the surface and analyzed them frankly and fully.

Certainly, if the character development, activities and other services made possible by the United Fund were to end, this community would not be the same fine place in which to live that it is today. Because this is true, it is up to each of us to discard past ideas of what is adequate and instead pledge as much as UF agencies really need in the coming months.

## Increased Autonomy For SIU-SW Campus Is a Welcome Development

The greater autonomy and gradual decentralization heralded by Southern Illinois University's appointment of Charles A. Renshaw as SIU-SW Chancellor John S. Rendleman has predicted that the local campus will "gain a tremendous amount of self-determination" during the next few years and that "the possibility for growth, particularly in graduate and professional fields, is to grow. These are proper goals for a university located in such a large, diverse and expanding region, and we feel that it will also be important to continue meeting the needs of freshmen, sophomore, junior and senior students."

The centralization of past years has enabled both campuses to reap the benefits of a mature university with its experience, with distance and accompanying lack of contact the principal drawback. If complete decentralization occurs at some future time, each campus will have to rely entirely on its own know-how, experience and resources but will be able to concentrate fully on the tasks confronting it.

During the transition period, when the campus here has its own chancellor but retains its many valuable ties to the total university, SIU-SW hopefully will have the "best of both worlds" and continue its record of sound but extensive growth in facilities and services.

## Brevity of Signal Causing Congestion

Plans were made this year to ease a Namecki road-Madison avenue bottleneck by lengthening the stoplight cycle for left turns onto Madison avenue. However, the shorter seven- or eight-second turn signal has been reduced and congestion has resulted.

The problem is made more acute by the Iowa street one-way designation, forcing west-bound traffic from much of the Glenview and Namecki-Madison intersection. If this traffic pattern is to be retained, a further adjustment in the turn signal seems unavoidable.

UNIONS OPPOSED UNION MAN, AIDED NON-UNION MEMBER

To the Editor:

I thank each and every person who voted for me in the recent election. In regard to the election, I cannot say I'm sorry I ran for state representative.

As one great American said, "I'm too old to cry." I will say, concerning those who won, that I hope for them a successful term.

With due regard to everyone concerned, I still feel the AFL-CIO Committee on Political Education owes me an explanation as to the exact questions and answers given and which ones were the deciding factor in not act answers given were the determining factor as to whom they would endorse.

Any representative of any organization should be able to give the reason for his voting record to those he represents.

As I understand it, the Cope committee was supposed to use the questions and answers as the sole basis for determining the one they would endorse.

To allay such suspicion of playing political footsie, I feel the Cope committee has a responsibility to send an explanation to each local represented and the exact questions and answers given both by me and the one they endorsed, so that all union members may know.

I am a dues paying union member and they said the Cope committee was supposed to use the questions and answers as the sole basis for determining the one they would endorse.

## Illinois Law Still Bans All Types of Individual Fireworks

(Tri-City and Illinois Bar Associations)

It's against the law in Illinois to celebrate July 4th with individual fireworks.

Local authorities may grant a permit for the public display of fireworks under controlled conditions, but their use by individuals to celebrate the Fourth, or at any time, has been prohibited by state law since Jan. 1, 1942.

The prohibition applies to firecrackers, skyrockets, Roman candles, sparklers, torpedoes, bombs or similar explosive or combustible devices designed to produce "visible or audible effect of a temporary exhibitional nature."

The law excludes toy pistols or cap guns capable of firing pairs of plastic caps containing twenty-five hundredths grains or less of explosive compounds. However, the toy must be constructed so the hand cannot come in contact with the cap when in place for explosion.

Any authorized public display of fireworks must be supervised

by a competent person designated by local authorities and must be conducted in such a place as to avoid danger to persons or property.

The law prohibiting the shooting off of fireworks by unauthorized individuals was adopted by the state legislature on July 1, 1941—almost 165 years to the day after John Adams called for celebration of the country's independence with "bonfires and illuminations."

Adams, a signer of the Declaration of Independence, said the decision of the 13 colonies to become independent of British rule "ought to be commemorated as the Day of Deliverance by solemn acts of devotion to God Almighty, and ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires and illuminations, from one end of this continent to the other from this time forward forevermore."

Nonetheless, anyone who sets off fireworks in Illinois is guilty of a misdemeanor and subject to a fine of up to \$100, a jail term of up to 90 days or both.

Essays Trace Education, Politics, Economy of Illinois in Early Years

"Essays in Illinois History (in honor of Glen Horton Seymour)." Edited by Donald F. Tingling. Southern Illinois University Press, 1968, 167 pages.

Reviewed by William A. Pitkin, a retired faculty member, Department of History, Southern Illinois University, Carbondale.

This volume is a Festschrift consisting of seven essays, soundly researched and concisely written by members of the History Department of Eastern Illinois University.

The first of these essays, "Anti-Intellectualism on the Illinois Frontier," stresses the pioneers' emphasis upon economic matters; the wilderness was tough and must be conquered; education could wait for a better day.

Unfortunately, education was neglected. Intellectuals were often resented. James Hall, of literary fame, moved from Illinois to Cincinnati "where the intellectual climate was better."

The distinguished Edward Coles returned East to Philadelphia. "Lincoln's Particular Friend," is better than the typical decorative story.

Lincoln meets Allan Pinkerton, the great Chicago detective, and Ward Hill Lamont, who became marshal of the District of Columbia in April, 1861.

For four years, with tenacious devotion, Lamont would guard the life of President Lincoln. Unhappily, Lamont was shot in Washington on April 14, 1865.

He had been sent by President Lincoln on a special mission to Richmond. Neil Thornburn's essay, "John P. Altgeld: Promoter of Higher Education in Illinois," emphasizes the state's role in education.

Altgeld also insisted upon greater state support for schools at Normal and at Carbondale. On May 22, 1885, the legislature created two normal schools, at De Kalb and at Carbondale.

Robert E. Hennings discusses "Harold Ickes and Hiram Johnson in the Presidential Primaries of 1924."

This account highlights the western limitations of the Californian. However, this piece is a careful study of political cross-currents and loyalties.

The last in the series is "Unemployment in Illinois during the Great Depression," which should be required reading for those who may believe that a post-World War II prosperity has always been with us.

Professor Tingling's volume is an excellent contribution to the literature of the state's Sesqui-centennial Celebration.

James Hall, of literary fame, moved from Illinois to Cincinnati "where the intellectual climate was better."

The distinguished Edward Coles returned East to Philadelphia. "Lincoln's Particular Friend," is better than the typical decorative story.

## Most Drivers Fail to Allow for Effect of Rain at Highway Curve

(American Association for the Advancement of Science)

Weather is the most important single identifiable factor in traffic safety, say traffic search engineers E. M. Bevilacqua and E. P. Percarpio of the University Research Center, Wayne, N. J.

Reporting on recent progress in understanding how rubber slides over wet surfaces, these engineers point out that accurate knowledge of the mechanism by which friction arises is essential to realistic design and testing of road surfaces and tires.

From a graphic plot of coefficients of friction of some 900 wet roads—the net acceleration required to round a curve, and 99% of all roads.

## Second Baptist Sends Out Anniversary Invitations

Invitations to participate in the celebration of its 50th anniversary Saturday and Sunday, July 20-21, are being extended by Second Baptist Church, West 21st street and Illinois avenue, to the missions which it has established.

Bethesda Baptist Church of this city, which was constituted into a church in 1955, was the former North Granite mission. The first of five missions established by Second church in January 1952, Bend Road Baptist Church began as a mission in 1956, and the following year West 22nd Street Baptist Church was the third mission project. The same year another off-spring of the local church was

Cottage Hills Mission, now First Southern Baptist Church, Cottage Hills. The church presently sponsors Highland Mission in Highland, Ill.

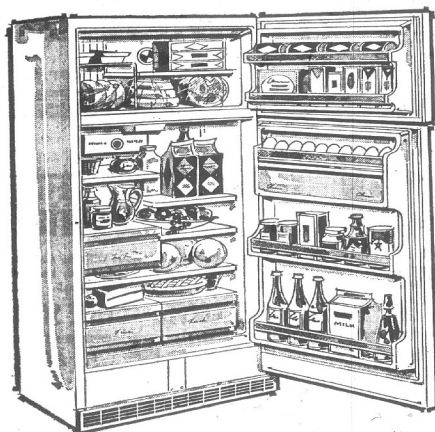

From October 1921 to June 1964, there were 24 men licensed to preach by the 50-year-old church, including William Depew, Arthur Hagler, J. T. Warford, James Graham, Howard Chapman, Ray Roberts, Earl Shockey, Loy Hildreth, Orville Matheny, James Lucas, Raymond Watson, Jack Shank, George Withers, B. Rainey, Paul Harper, Ralph Craycraft, Herbert Smith, Virgil Graham, Lloyd Perrin, Raymond Lewis, Reed Burkhardt, Jerry Thomson, Richard Miller and William Wollam.

## Assistant Therapist Course Is Planned

A two-year training program for physical therapy assistants has been approved by the Southern Illinois University board of trustees which met at the southwestern campus. The recommendation will go to the Illinois State Board of Higher Education.

The new program would enable students to gain knowledge and skill relating to physical therapy in the classroom, laboratory and clinical settings. Dr. Delyte W. Morris, SIU president, told the board, adding that health council reports indicate a critical shortage of physical therapy assistants.

There are about 3000 vacancies in the state in hospitals alone, Dr. Morris said, not to mention the need for physical therapists in extended care and nursing homes. Graduates of the program would receive the Associate in Arts degree. The program would be taught at the Vocational - Technical Institute campus, east of Carbondale.

In other business, the board approved a lengthy list of teaching assignments for the summer quarter, which opened last week. A record-breaking enrollment of undergraduate students in the summer session already is indicated, although final figures are not yet available, Dr. Morris said.

Comparing the notable rise in summer enrollment over the last few years, Dr. Morris commented that projected planning requires that sequential programs must be offered throughout the summer months as the trend develops to year-around schooling.

He explained the summer student increase as those wishing to complete their education over a shorter period of time, continuing through the summer months; more teachers and professional people returning to school; and undergraduate and graduate students who apparently prefer to continue during the summer session and take off another quarter.

SIU appears to have an unusually larger proportion of student enrollment for the summer program than other schools, Dr. Morris said, adding, "This condition is desirable as it permits maximum utilization of facilities year around and equalizes opportunities to all seeking an education."

A one-year contract as visiting professor was approved for A. LaMont Smith, a state of California Board of Correction official. He will arrive July 1 to work with the SIU Center for the Study of Crime, Delinquency and Corrections.

Smith, who has a doctor of public administration degree from the University of Southern California, has served as warden's assistant at the Terminal Island federal prison in California and as associate superintendent at the Chino, Calif., state penitentiary.

Dr. Morris reported with regret the death June 12 of Dr. Edward Ferguson, 61, whose appointment as visiting professor of zoology was to have been confirmed by the SIU trustees. The educator, who had received a bachelor, master's and Doctor of Philosophy degrees from the University of Illinois, had served as instructor and professor at South Carolina State College and Southern University and as professor at Tennessee Agricultural and Industrial University, Mary's and State College, Grambling College and Lincoln University.

## Pfc Geo. Barnett Burned as Truck Blazes in Vietnam

Pfc George W. Barnett telephoned his parents, Mr. and Mrs. John Barnett, 2014 Missouri avenue, this week from aboard the hospital ship USS Repose off Vietnam where he is being treated for second degree burns.

He told his parents he was driving a truck for the 11th Engineer Battalion in Vietnam, near Dong-Hao the D.M. zone, when the truck caught fire. Although he jumped to safety he received burns to his back and arms and was put aboard the hospital ship, bound for the Philippines, for treatment.

Pfc Barnett entered the Marines in August 1967 taking his basic training at San Diego, Calif., and has been in Vietnam since February.

## Physics Teachers at EIU Summer Institute

Physics teachers from about 30 high schools converged Monday for the first National Science Foundation sponsored summer institute in Physics in Eastern Illinois University history.

The institute is part of a state-wide program that the NSF is sponsoring at six Illinois universities this summer, according to Dr. Robert Waddell, director of the Eastern institute.

Other universities participating in the program are Southern Illinois University, Southern Illinois University-Edwardsville, Western Illinois University, Lake Forest College and DePaul University.

The institutes are designed to interest more high school students in physics by expelling high school teachers to advanced teaching techniques and philosophy and by extending their knowledge of modern physics, Waddell said.

In addition to the six-week institute the participants will also attend an "in service" institute 12 Saturdays during the regular school year, returning to Eastern to follow up on the summer work.

## Squaredancers Leaving For Show in Ozarks

The Checkerboard Squares will be leaving today for the Lake of the Ozarks to participate in the 14th Annual Heart of America Festival. They are attending at the invitation of Buford Foster, the director of the original Tadpole Squares of ABC television fame.

The festival will be held today through Saturday, and the local dance group will present exhibition dancing. The group's caller, Shelly Boyd, has calling assignments all three days.

Revising the "Black Light" waltz will be the older group and the younger set will present the "Ozark Clog," which originated in the Ozarks. There will be 70 dancers and parents attending the festival.

They will return to their homes on June 30 and then on to Crystal City, Mo., on July 3 to participate in the Elks homecoming celebration.

Shelly Boyd will travel to Richmond, Va. to call an Area Federation dance on July 19. This will be her first professional engagement and the first time she will not have the Checkerboards accompanying her.

She is one of the youngest callers in the nation, making her debut as a caller at the age of seven years. She is now a senior at Granite City High School.

She will serve as hostess for a group of members and guests when they attend the St. Louis Opera in July and again when the club meets and presents a show in the month of August.

Miss Portell is interested in softball, swimming, tennis, and piano, and is a junior at Granite City high school.

Mark Twain Students

To Play Computer Game

More than 100 students attending the Mark Twain summer institute will participate in a computerized international relations simulation game Friday.

It will be the first time high school students in the area will be exposed to the advance instructional decision-making technique.

The game begins at 9 a.m. and will continue until noon and perhaps until 2 or 3 p.m.

Students playing roles as national leaders will be divided into teams representing 10 nations and will make all the decisions for operation of the nations.

Some students will assist in the operation of an IBM computer at Clayton high school which is hooked up to the master computer in Chicago. Other students will man wire services' offices and take the parts of messengers.

On conclusion of the game, the result should be a better understanding and appreciation of the complexity of high level national and international decision making.

## CADET JAMES MCKINNON, valedictorian of his eighth grade class at Western Military Academy who received medals for his work in math, English, his work in the Ozarks, which originated in the Ozarks. There will be 70 dancers and parents attending the festival.

He is the son of Mrs. E. B. Kiebusch of Brentwood, Mo., formerly of Granite City, and the grandson of Mr. and Mrs. B. W. Smallie, 2232 Washington avenue, and Mrs. Letitia McKinnis, 2724 West 20th street.

Five Quad City youths are among 37 area college students hired by Alton State Hospital to participate in the summer employment program. Joe Foehrkolb, personnel manager, said.

A new program to better train and utilize summer student workers has been developed and covers three major areas: tutoring, activity therapy and social service," he said.

The program has three general phases—a basic orientation program required of all new employees, disciplinary skill training and an interdisciplinary training program.

The program covers a 14-week period ending Sept. 13, and the monthly wage is \$285. The students and their department assignments are Linda LeBlanc and Barbara Sabo of Granite City, nursing service; and Susan Kamal of Madison, Kansas, of the medical department.

James Randall of Granite City and Evelyn Ritz of Venice, social service.

Seaman Apprentice Donald L. Kelley, 19, son of Mrs. Cassie A. Finley, 2218 Iowa street, and husband of the former Miss Patricia L. Mathon, 125 Trocadero lane, is serving aboard the attack aircraft carrier USS America.

His ship is operating as a part of the U. S. Seventh Fleet in the Gulf of Tonkin. As a crewmember, he is helping to provide air support to U. S. and allied ground forces in Vietnam. Pilots from the America bomb enemy targets in North and South Vietnam.

Missouri U. Grads Employed in Columbia

Mr. and Mrs. William Lyons, former students of University of Missouri, Columbia, Mo., have accepted employment there for the summer months.

Mrs. Lyons, the former Margaret Ann Harlan is the daughter of Mr. and Mrs. Lee Harlan, 1611 Clark avenue. She received her BS degree in Education during the graduation exercises held earlier this month, at the U. of M. Both young people were on the Dean's List for the final semester of the school year.

Graduates with Honors

Miss Lois Medlin of St. Louis, formerly of Granite City, has been graduated with honors from Valparaiso University. She majored in theology. She was valedictorian of the class of 1963 at Granite City high school.

She is one of the youngest callers in the nation, making her debut as a caller at the age of seven years. She is now a senior at Granite City High School.

Mark Twain Students To Play Computer Game

More than 100 students attending the Mark Twain summer institute will participate in a computerized international relations simulation game Friday.

It will be the first time high school students in the area will be exposed to the advance instructional decision-making technique.

The game begins at 9 a.m. and will continue until noon and perhaps until 2 or 3 p.m.

Students playing roles as national leaders will be divided into teams representing 10 nations and will make all the decisions for operation of the nations.

Some students will assist in the operation of an IBM computer at Clayton high school which is hooked up to the master computer in Chicago. Other students will man wire services' offices and take the parts of messengers.

On conclusion of the game, the result should be a better understanding and appreciation of the complexity of high level national and international decision making.

## Miss Janice Porter Awarded Scholarship

Miss Janice L. Porter, granddaughter of Mr. and Mrs. Paul D. Martin of 2532 Edison avenue, a 1968 graduate of the University of Illinois, left for Boston, Mass., where she will serve a one-year internship in dietetics at the Frances Stern Nutrition Clinic affiliated with the New England Medical Center and Tufts University.

Miss Porter also was a recipient of one of five scholarships for \$500 given by the Mead-Johnson Co. under the direction of the American Dietetics Association.

While at the university, Miss Porter was a member of Delta Zeta, a social sorority, Phi Upsilon Omicron, a Home Economics honorary, Chevroon Food Service Club, and Atlas, an activities honorary.

She is the daughter of Mr. and Mrs. Vernon L. Porter of 2010 Silver Court West, Urbana, Ill. Her mother will be remembered as the former Marcella Martin.

In other activities were Patty Heih, Cathy Zaringo, Joan Kraus, Anne Debeuc, Robyn Cruse and Sharon Mang. Summer Recreation Softball League standings are—American League, Niedringhaus, won 2 lost 0; Wilson, won 2 lost 0; McKinley, won 1 lost 1; Washington, won 1 lost 1; Nameoki, won 1 lost 2; Logan, won 0 lost 2; National League, Lincoln Place, won 1 lost 0; Webster, won 1 lost 0; Parkview, won 1 lost 2; Marshall won 0 lost 1.

Each contest is divided into three age groups, midget division (10-11 years), junior (12-13) and intermediate (13-14).

A large group of parents and Jaycee members is expected to attend the sectional event.

Participants, between the ages of ten and 15, will compete in 18 field events: high jump, long jump, baseball throw and 23 running events. Some of the local winners are entered as individual contestants while others are members of relay teams, Robertson said.

## Jr. Sports Jamboree Sectional in Mid-July

Fifty-nine boys and girls—winners in the Granite City Jaycees' "Junior Sports Jamboree," staged here earlier this month—are preparing to compete in the jamboree's sectional contest on Saturday, July 20, at Alton, according to John Robertson, local Jaycee project chairman.

First place sectional winners then advance to the Illinois state finals in mid-August at Sterling-Rock Falls. All three phases of competition are co-sponsored by the Jaycee organization and the Illinois Youth Commission.

Participants, between the ages of ten and 15, will compete in 18 field events: high jump, long jump, baseball throw and 23 running events. Some of the local winners are entered as individual contestants while others are members of relay teams, Robertson said.

### Arrest 9 on Speeding Charge in Radar Drive

A series of arrests for speeding through use of radar in the 2500-2800 blocks of Madison avenue was reported by Police Monday.

Those issued arrest tickets included Kenneth R. Stallings, 4933 Mueller avenue; J. B. Wilson, 2132 Orville avenue; Larry McVoy, 2549 Ivie lane; James M. Lenggell, 2708 Harvey place; Charles L. Cox, 2206 Miracle avenue.

Glenda L. Eggemeyer, 640 Chouteau road, Mitchell; Phillip D. Auchenbach, 2410 Sheridan avenue; Louis E. Kibort, 2124 Miracle avenue; Raymond C. Sampson Jr., 2638 East 23rd street.

Magistrate hearings were scheduled for July 10 in all cases.

### Two Cars, Tree, Sign Damaged in Accident

The front end of a car driven by Daniel R. Tucker, 2222 State street, was damaged extensively by a 7:55 a.m. Tuesday when it was struck at Grand avenue and 29th street by an auto driven by Milton Legate, 1484 Old Alton road, according to a police report.

Officers said Legate's car ran over the curb after the crash, struck a tree and bent a metal school crossing sign. Legate told police he was unaware of the stop sign at the intersection and skidded into the Tucker car when he tried to stop suddenly. Legate was ticketed for failure to yield the right of way with a control present.

Hearings were set July 8. Both cars had to be towed away.

### William Clarke, 81, Found Dead at Home

William Clarke, 81, of 2140 Orville avenue died in his home Monday at 2:45 p.m. He was found by his landlady, who summoned an ambulance. Mr. Clarke had been under medical care for a heart ailment for several years.

Born in St. Louis, he was employed at the Spoke Iron Works, St. Louis, for a number of years prior to his retirement. He is survived by a niece, Mrs. Walter (Margaret) Franzer of Hazelwood, Mo., and one brother Charles Clarke, whose last known address was in Webster Groves, Mo.

Private services were held today. Other details are given elsewhere in this issue.

### GC Taps Working Cash Fund for General Expenses

Granite City's tax collection is under way, but it was necessary Monday night for the city council to take \$76,500 from its working cash reserve of \$223,329 for general operating expenses until new tax is received.

The city approved a resolution for the transfer of \$76,500, which must be repaid to the working cash fund when new taxes become available.

The transfers listed in the resolution by Comptroller Robert Stevens are—\$24,000 to the fire department, \$10,000 to the general government fund, \$2500 to the city hall fund, \$26,000 to the police department, \$1000 to the inspection department, \$5000 to the interest and judgment account, \$1000 for dog catching, \$1000 for city planning, \$2000 to the school crossing guards account, \$8000 to the Illinois Municipal Retirement Fund and \$500 to the air pollution control account.

Stevens said the transfers are needed to prevent deficits in the 11 accounts.

### GC Aldermen Ok Repairs To Air Conditioner

Council members voted Monday night, during a sweltering 94-degree session without the sign of a breeze, to call for repairs to the city hall air-conditioning unit that has been broken down for several weeks.

The firm of Authorized Refrigeration, East St. Louis, submitted a proposal to install a new compressor and make necessary repairs for \$1419.

The motion to get the unit re-

paired by a local firm was made at the start and again near the close of the meeting. Alderman Boyd suggested the council hold its next meeting in another room in the city hall where it would be cooler.

He suggested the magistrate courtroom, but was told by Mayor Partney that the same unit serves the courtroom and there is only a small window unit now in service there.

Alderman Bartosiak recommended the council proceed with the repairs and then refer the bill to the city attorney to determine if legal action can be taken under the guarantee.

The unit went out last summer and the compressor was replaced. That compressor also went out, and it was found the starter button was stuck, causing the machine to run continuously. The manufacturer refused to exercise a guarantee because of the replacement starter.

Either way, the council is seeking repairs to the unit. Only one large fan was in operation at Monday night's meeting, and it was directed at one of the two council tables.

After a short recess about halfway through the meeting, Alderman Jarrett turned the fan to the second table, remarking, "Now it's our turn." Noon got up and turned it back, remarking, "We've got seniority." (Noon is the senior member of the council.)

Alderman Whitmer said he planned to bring his own fan to the next meeting.

### Mrs. Edna Marie Paul, 60, of Mitchell, Dies

Mrs. Edna Marie Paul (nee Artucio), 60, of 601 East Chain of Rocks road, was pronounced dead upon arrival at the Wood River Township Hospital, Monday at 9 p.m.

She had been ill for a number of years and under a doctor's care. Born in Indiana, she resided in this area for 50 years, was a member of the Mitchell Presbyterian Church and the Ladies Auxiliary Mitchell Fire Department.

Survivors include her husband, Albert Paul, who operates Paul's Mitchell Garage at Mitchell, and her mother Mrs. Nellie Sharpe of Terre Haute, Ind.

Funeral arrangements are given in today's obituary column.

### City Resolution Seeks Local Tax Payments

A resolution is to be prepared for the Granite City council instructing city officers not to make any purchases from firms here that do not pay taxes locally.

The proposal was made during Monday night's council session by Alderman Noon, who said that the tax collection period is under way and the city needs the 2% commission received for all taxes paid locally. "We should instruct the comptroller not to do business with any firms that send their local tax payments to Edwardsville. The city loses that 2% commission to the county."

His motion for preparation of a resolution for adoption next week was approved.

### Collide in Madison

The left rear of a car driven by Cletus E. Baker, 3805 Fair Oaks drive, was damaged Monday in a collision at Second street and Madison avenue, Madison, with a car driven by Virginia Curtis, 2412 Cleveland drive. Police said the Curtis car was headed south on Madison avenue when it hooked bumpers with the other vehicle.

## Secretary Group Hears Reports

At a meeting Monday evening in the home of Mrs. Joy Augsburger, vice-president of the Tri-Cities Chapter, National Secretaries Association, the president, Mrs. Bettie Davis, reported on the recent President's Meeting which she attended in Galesburg.

Mrs. Evelyn Clay of Galesburg presided at that meeting and announced that the Illinois Division membership has grown to 1152, as of May 31. Also announced was the appointment of an Illinois Division member, Mrs. Charis Vunovic, CPS, of the local chapter, as chairman of the home service committee. Mrs. Vunovic served as a member of the committee the past year. The purpose of the committee is to promote the NSA home trust fund and develop interest in the program. Over half a million dollars has already been raised for this fund.

Under the direction of the program committee chairman, Mrs. Augsburger, programs for the coming year will include social meetings in July and August, and a panel program for the September meeting composed of five local "hostesses" and five chapter officers. There will be other special programs and speakers during the coming months.

## WHITTE CLUB PICKS THREE QUEENS

A meeting of Tops Whittle by Whittle was held Monday evening at the American Legion Hall. Mrs. Peggy Hackney, leader, opened the meeting with the Tops pledge.

Queen of the Week honors were shared by three of the members, Mrs. Muriel Byrne, Mrs. Christine Ersamer and Mrs. Judy Webb. The evening prize went to Mrs. Jo Bain.

Mrs. Hackney announced a cosmetic demonstration will be the program for the next meeting on July 1. The meeting closed with the group singing several Tops songs.

Others attending were Mesdames Jacqueline Affeldt, Mary Jo Akeman, Billie Bagi, Janice Beatty, Nancy Bernick, Rose Bronbauer, Frances Coleman, Virginia Cotter, Helen De Runz, Nina Eads, Iris Gauen, Jo Gipsen, Diane Genterman, Edith Harris.

Once you take a really close look at this '68 Impala Custom Coupe, chances are you won't care what other people's 1969's are going to look like. But we'll tell you anyway.

This particular model—with its formal "notchback" roof line—is the most popular one we build. Which means it's by far the most popular '68 anybody builds. Which means (and this is an open secret around Detroit these days) some other cars are going to look a lot like it in '69.

Frankly, we're kind of used to being borrowed from this way by now. Whether it's styling, riding comfort or just plain painstaking workmanship, we know that putting you first keeps us first. And we can't blame other carmakers for wanting to catch up.

But meantime the thing for you to do is drop down and have a talk with your Chevrolet dealer now. Great as our styling looks on this '68 Impala, we can't promise it's going to look so good on a '69 something else.

Happening now at your Chevrolet dealer's, a tremendous explosion of extra buying power. Only the leader could make it happen.

Save on popular V8 engines, automatic transmissions, whitewall tires—and more. Just take a look at these five bonus savings plans. Then see your Chevrolet dealer.

**Bonus Savings Plan 1** Any Chevrolet or Chevelle with 200-hp Turbo-Fire V8, Powerglide and whitewalls.

**Bonus Savings Plan 2** Any Chevrolet or Chevelle with 250-hp Turbo-Fire V8, Powerglide and whitewalls.

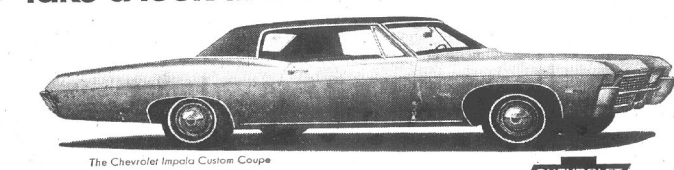

**Bonus Savings Plan 3** Any big Chevrolet with 250-hp Turbo-Fire V8, Turbo Hydra-Matic and whitewalls.

**Bonus Savings Plan 4** Now, for the first time ever, big savings on power disc brakes and power steering when you buy any Chevrolet or Chevelle with V8 engine.

**Bonus Savings Plan 5** Buy any Chevrolet or Chevelle V8 two- or four-door hardtop model—save on vinyl top, electric clock, wheel covers and appearance guard items.

## First 149 of Season's 950 Campers Report to Sunnen

The Cahokia Mound Council, Boy Scouts of America, expects over 950 boys to be in attendance at its summer camp during the next seven weeks, Carl E. Mathias, council president, said in announcing the official opening of the camp for the 1968 season this week.

There are 80 scouts and six adult counselors from the Uniwh (Quad-City) district this week and 57 boys and six leaders from the Illini (Collinsville-Edwardsville) and Kickapoo (Highland-Greenville area) districts.

The council maintains its 300-acre Camp Sunnen on Sunnen Lake near Potosi, Mo., so that all boys can have an opportunity to participate in scouting's outdoor program, Mathias noted.

All scouts live in two-boy wall tents located on troop sites under the direction of their own volunteer adult leaders. These sites are well isolated from each other and have their own drinking water, washing and toilet facilities.

Drinking water is tested regularly to meet state health standards, as is the water in the swimming area, a part of Lake Sunnen.

### Food Cooked by Scouts

Food is cooked by scouts from prepared menus adequate in quantity, quality and variety to meet the needs of growing boys, Mathias related.

The health program of the camp is under the supervision of a local medical doctor and the health lodge is supervised by a registered nurse, who gives all first-aid. All serious cases are taken to the Washington County Hospital in Potosi for treatment, the president said.

Col. Charles E. Hoskin III, council camping chairman, said that the camp offers a vigorous program of scoutcrafting training in living in the outdoors, pioneering and rope work, cooking skills, nature and conservation, use of wood tools, and field sports—including fishing, archery, rifle marksmanship and "orienteering."

Opportunities are provided for special trail back-pack trips on the Berryman trail and float trips on the Current and Meramec rivers.

Extremely high standards for instruction, supervision and safety training are carried out in the entire aquatic program, including boats, canoes and sailing.

"Leaders," Col. Hoskin said, "are given special instruction in the 'safe swim defense plan' of the Boy Scouts of America. With this training, they are qualified to conduct their own

troop swims in a safe manner."

The camping and health-safety committees of the council conduct regular inspections of the camp to see that minimum standards set by the National Boy Scout Council and the American Camping Association are met.

On July 12, members of the Regional Committee and National Council will conduct their annual "Par 100" inspection, Col. Hoskin said.

### Most Scouts Attend

The council is one of 75 councils in the United States having 75% or more of its scout troops and scouts in camp each year.

For the past seven years, Camp Sunnen has received the National A participant in the annual inspection.

Eugene Coe, council scout executive, said, "Mature, well-trained adults make the difference in the quality of the program offered to boys and units. 'Every adult on the camp staff is a graduate of the National Camp School of the Boy Scouts of America. Junior staff members are for the most part Eagle Scouts and receive intensive training before camp opens.'"

As scouting is essentially an outdoor educational program, its camping program is given great attention, Col. Hoskin added.

### Fitness Training

"It is built for the boy and his needs. Through his experience at camp, he is helped in character development, citizenship training and mental and physical fitness."

"At camp, he is helped to grow, to be more resourceful, and to be more skilled in living."

Scouts and leaders from the Quad-Cities attending Camp Sunnen this week are:

Troop One, sponsored by Venice Lions club:

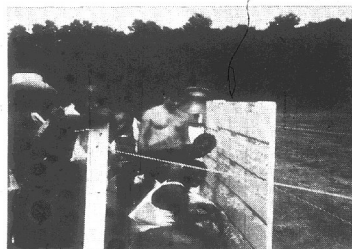

Leader, Fred Rumpf; scouts, Duane Georgeff, Mike Dixon, Lawrence Caruso, Bob Dixon, Rusty Pace, Jim O'Holander, Kenny Rankin, Dan Maurer, Billy Makere, Mike Scaturro, Jeff Tolliver, Tom Hooks, John Kittle, Mike Bibbey, Fred Leatherman, Mark Greathouse, Timmy Simmons, Jimmy Simmons and Dale Georgeff.

Troop 15, Granite City, sponsored by Eagles Aerie 1126:

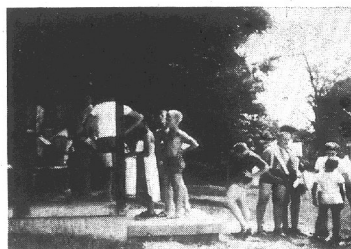

Leaders, Russell Lyons, Earl Wittig and John Kudelka; scouts, Vic Reznack, Jeff Wittig, Carl Earls, Roger Teller, Monte Lyons, Joe Saucier, Richard Reznack, Maury Dailey, Dennis Orsey, Russell Holbrook, Willie Laub, Mike Pape, Kevin Komadina, John Kudelka, Jim Giesemann, Dennis Robertson, Dennis Brunson, Craig Tarpoloff, Tom Beck, Mike Drayton.

**OPEN WIDE.** Mrs. Henry Hellrich, registered nurse at the health lodge of Camp Sunnen, Potosi, Mo., checks Terry Pickinger of Boy Scout Troop 88. First-week attendance this week is 137 scouts and 13 leaders, including 80 boys and six adults from the Uniwh (Quad-City) district.

**BUDDY TAG BOARD.** Darryl Drayton and Tommy Fifer place swimming buddy tags on a display board as Mark Hellrich (standing in front of bell) gives instruction in its use to Madison Troop 91.

**HEALTH LODGE** at the spacious scout reservation in the Missouri Ozarks. Scouts of Eagles Aerie Troop 15 line up for their medical checkup upon arrival for a week's stay at Camp Sunnen.

**CAMP PROGRAM PLANS** are shown being reviewed (seated left to right) Bob Burns, Bernard Miller Jr. and Madison Troop 91 Scoutmaster Birl Reed, and (standing) Scout Executive Phil Dixon.

Cain, Mike Heath, Steve Miller, Brad Cowen, Steve Hogopian, Danny Moiglin, Glen Halifer, Jeff McIlroy, Charlie Barth, Don Heath and Dan Heath.

Troop 18, Granite City, sponsored by Knights of Columbus: Leader, Bob Walsh; scouts, Joe Lanahan, Dan Tegel, Robert Walsh Jr., Rick Orr, William Schneider, Bruce Lattimore, Dwight Foret, Robert Martinez, Ruben Martinez and Mark Sobolewski.

Troop 91, Madison, sponsored by Neighborhood Community Center:

Leader: Birl Reed; scouts, Craig Maple, Harvey Lee, Kevin Jackson, James Turner, Kenneth Witherspoon, Maury Pryor, Randy Singleton, Donald King, Carl Campbell, Richard Williams, Lewis Fields, Willie Robinson, Michael Watts, Ted Jackson, Jeff Stanley, Kevin Boyd, Ronald McLaughlin, Charles Lucas, Osbert Lomas, Kenneth Bradley and Darryl Drayton.

### Russell Eddington, 81, Retired Carpenter, Dies

Russell Eddington, 81, Rural Route Two, Collinsville, a retired carpenter foreman, from Granite City Steel Co., died at 12:15 p.m. Monday at Madison County Nursing Home, where he had been a patient for the past six weeks.

Death was attributed to an apparent heart attack.

A 40-year resident of Granite City, he was born in Miles Station, Ill., and had moved to Collinsville eight years ago. He was a member of the First United Presbyterian Church of Granite City and the Carpenters Local 633.

His wife, Mrs. Emma Eddington died in 1960. Survivors include five daughters, Mrs. Maurice (Olive Jean) Jackson, Westland, Mich.; Mrs. Walter (Isabelle) Bowles, Granite City; Mrs. Steve (Vivian) Kozzer, Holiday Shores, Edwardsville, Mo.; Mrs. Ralph (Virginia) Range, Edwardsville, and Mrs. Cleotis (Dorothy) Cherry, Collinsville; two sons, Donald Eddington of Tyrone, Ark., and Russell Marvin Eddington of Collinsville; two brothers, Ben Eddington of St. Louis and Edgar Eddington of Palo Alto, Calif.; three sisters, Mrs. Ross (Tillie) Bennett, Staunton, Mrs. Bonnie Bott, Godfrey, Ill., and Mrs. Marcella Wood, Little Rock, Ark.; 19 grandchildren and two great-grandchildren. Funeral arrangements are given elsewhere in this issue.

## Speedy Title Machines To Go Into Use July 1

Three new machines, each capable of producing a finished motor vehicle certificate of title in two seconds, as compared with 20 minutes under the old dextragraph method, have been installed in the Title Division, Secretary of State Paul Powell announced this week.

The new machines will be placed in operation July 1 and, with their capacity of producing 21,000 titles a day, will substantially speed up the issuance of titles, Powell said.

In addition, the titles will be more legible, virtually impossible to duplicate or forge, and will carry an inventory control number, he said.

The machines were specially designed for Powell's office and are manufactured by the AES Co. of Chicago.

## Jr. College Applicants Must Notify Local Board

All students residing in non-junior college districts, including the Quad-City area, who fail to notify their high school board by Monday, July 1, of their intent to attend a junior college probably will be denied the opportunity to attend this year, according to A. J. Woods, Belleville Junior College District 522 official. He added that the Belleville JC will adhere strictly to this policy.

Woods pointed out it is the responsibility of the individual student to contact and request from the superintendent's office of the local high school and/or from the superintendent of the Belleville Junior College District 522, 2555 West Boulevard, Belleville, Mo. 64601, an authorization before Monday, if the student wishes to enroll in any junior college of his choice for the 1968-69 school year.

At the present time, the Belleville Junior College district will continue to receive applications until Aug. 1, for the 1968-69 school year.

ACT scores and high school transcripts must be on file at the time the application for admission is received, Woods said. Questions relating to admission may be answered by calling 253-2700 and asking for Extension 79.

## 20 mph Bus Speed Law is Tabled

Tabled by Granite City council members Monday night was an ordinance to limit speed of buses to 20 mph.

Upon presenting the ordinance, Alderman Norn commented that he believed it was illegal. "You can't do anything with this. How did it get here?" he asked, turning to City Attorney Allen.

Norn replied that it had been requested by Alderman Robertson of the Seventh Ward. Robertson had felt the meeting early and was not present when the ordinance came up. Several weeks ago he complained that speeding buses were damaging houses in his ward and requested a 20 mph speed limit for all buses.

"I'll just put it on the table," Norn said.

The motion to table the ordinance was made by Rutledge, and was approved by a vote of 9-10.

## GC Council Advances Zone Change for New Apartment

Placed on first reading by a vote of 10-to-3 Monday night by Granite City council members was an ordinance to rezone a 2.6-acre tract bounded by Johnson road, the levee district drainage ditch, Clark avenue and Mercer drive.

The first reading step was taken after three aldermen departed, and a suspension of rules motion by Alderman Norn for final passage was withdrawn.

Nearly 35 protestors were in the audience, braving the 94-degree room temperature for two hours, as the ordinance was not submitted until nearly 10 o'clock. Many of those in the audience voiced their objections, pointing out they feared devaluation of their property "with a three-story apartment in our backyards."

The site is a 560,000 apartment structure with 60 two-bedroom, two-bath units to rent for \$195 a month. Parking for 22 cars is to be provided in the basement, and there is to be a swimming pool, it was reported by the developer, Andrew Gitchoff of the Gitchoff Agency. He added that a visual screen and fence will be placed between the apartment site and the homes along Mercer drive.

Initial objections to the development were made last week by several residents who appeared at the council session and presented a petition of protest. Another petition was submitted this week.

First spokesman for the development was Henry Lamb, 2029 Clark avenue, who said the primary concern was over property values. He pointed out there are 40 homes adjacent to the project with an average value of \$17,000. "We pay taxes, too, and I'm sure you would want an apartment in your backyard," he said.

He added that residents had protested successfully on the apartment proposals for the area.

## IRS Enrollment Exam Scheduled Sept. 26-27

A special enrollment examination for accountants and others who wish to represent taxpayers in matters before the Internal Revenue Service will be given Sept. 26 and 27, Jay G. Philpott, district director of Central and Southern Illinois, reports.

Tax practitioners who are not certified public accountants or qualified former IRS employees must establish their technical competence before they can represent their clients in tax matters before the Internal Revenue Service. An enrollment fee of \$25 to cover the cost of administering the exam is required when the application is filed.

Philpott said details concerning the examination and application forms are available at the Springfield district office and may be obtained by calling 217-525-4380 or writing to: Taxpayer Information, P.O. Box 1468, Springfield, Ill. 62705.

Applicants residing in the Springfield district will take the two-day examination at the district headquarters office, 325 West Adams street, Springfield, Illinois.

**Boys Find Tools**

John Dandridge, 1227 Biswell street, Venice, turned over to police Monday a back saw and a heavy-duty electric drill which he told officers his two sons had found in a weed field. Officers said Dandridge reported the two boys saw a man hide the tools in a field. The incident occurred near the Air Reduction Co. and police said they were attempting to determine if the tools might have been stolen from the plant.

## Car Damages Garage

A garage in the alley at 2066 at 1:45 p.m. Monday by a car driven by Helen Presley, 2009 Rock road. Officers said the Presley car backed into the garage.

## Two Cars Damaged

On Earl L. Trebing, 110 Abbott street, Venice, told Venice police his car skidded on rain-wet pavement, colliding with a car driven by Carrie B. Murphy, 1010 College street, Madison, at 8:45 p.m. Monday. The mishap occurred in the 400 block of Broadway in Venice.

Police reported Trebing was headed west on Broadway, while the Murphy car was going east on Broadway and making a left turn.

## WILSON PARK ESTATES Display Homes Open Daily

One of the developers, told delegation and council that the mortgage company would not permit the apartment development to deteriorate because of its investment. "It's a fallacy to say apartments depreciate neighborhood values," he added.

**Calls Upon Chairman**

Alderman Norn called upon William F. Hoelscher, chairman of the City Plan Commission, for his opinion of the project. Hoelscher said no problem of congestion should develop since there would be no through streets. He added that there were no objections to the project at the commission hearing on June 20 and offered to conduct a second hearing at the designation of the council.

The council did not make such a request.

Robert Riggs, 2028 Lindell blvd., questioned if sewers in the area would be overtaxed by the apartment. He advised the developer was providing the needed easement to provide sanitary sewers to the Mercer drive area.

W. C. Rumlft, 2021 Clark avenue, said he bought his home in the area because of the one-family home neighborhood. "I bought it to live my life in a neighborhood away from apartments," he said.

Herman Fahnestor, 2009 Clark avenue, pointed out that in five years there have been several attempts to rezone the tract.

"We opposed R-5 for apartments before, and along with R-4 zoning for duplexes so others in the area could get sewers, but that didn't develop and it should go back to R-1 for single family houses. We'd protest R-4 now."

Hoelscher added that because of the size and shape of the tract, it was suitable for development with only one building, and that the development would fit in with long range plans along Johnson road.

Other protestors included Harry Dorth, 3316 Lydia lane; Mrs. Thelma Grisham, 1649 Clark avenue; and Floyd Brawley, 2033 Lindell blvd.

Voting for the first reading for the zoning change were Aldermen Moerlen, Bartosik, Whitmer, Boyd, Poulos, Green, Rutledge, Baasch, Norn and Fry. Opposed were Jarrett, Davies and Johnson. The aldermen absent were Dallas, Parmley and Robertson.

Approved by the council was annexation of one lot in Dream Villa subdivision, the home of Louis Vaughn, 3260 Edgewood drive. The owner had petitioned for annexation.

ABOUT THIS QUESTION:

"Various states have 'financial responsibility laws' that require up to \$20,000 minimum auto insurance, or proof of financial responsibility — while five Canadian provinces require a minimum of \$35,000 coverage. In case of auto accident, can failure to prove such financial responsibility result in loss of drivers license, auto registration, and then impounding of ones automobile?"

### GRANTMASTER TIRE GUARANTEE

#### 1. Tread Life Guarantee Against Road Hazards

We guarantee all Grantmaster tires against failures from all normal road hazards for the life of the tread with the exception of: ordinary nail punctures, fire, theft, front-end mis-alignment, under-inflation, over-inflation and running flat.

#### 2. Tread Life Guarantee Against Defects

We guarantee the Grantmaster tires against all defects of material and workmanship, for the life of the tread.

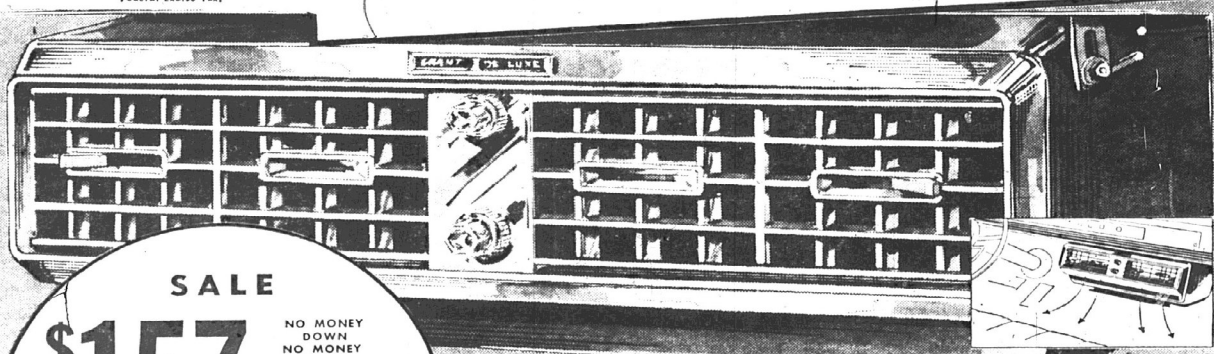

Basis of Adjustment: Should your Grantmaster tire require adjustment under Section 1 or 2 of the Guarantee, please return it to Grants and we will replace it by giving you a proportionate allowance for the unused tread, based on the current selling price, including Federal Excise Tax.

#### 3. Guaranteed Against Tread Wear

The original tread is guaranteed not to wear out for the number of months designated. If tread wears out during this period, the tire should be returned to Grants and we will replace it, charging the current regular selling price plus Federal Excise Tax less the following percentage allowance toward the purchase of a new tire.

Tire Guarantee	Allowance
18-27 Months	10%
28-40 Months	25%

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period by 50%.
